A "CASTRO" IN THE WHITE HOUSE?

In our January, 1961, "*Year-End Report*" I stated that Jack Kennedy "*slithered his way into the White House on a raft of brazen falsehoods and false promises.*" In that same "*Report*", I warned that his entire career in the White House would be dominated by two objectives: 1) A grab for personal power such as even Franklin Roosevelt had not dared attempt. 2) A determination to fulfill the objective of his masters (*Council On Foreign Relations*) to transform the United States into a unit of their planned (UN) "*One World Government*".

I will now add that his every act and deed since he stepped into the Presidency starkly indicate that John Kennedy fully intends to make himself the Fidel Castro of the United States and nothing but **IMPEACHMENT** will stop him !!!

Now, some who will read this, particularly the hard-core Kennedy supporters, may challenge me to reconcile my charge that Kennedy is a CFR tool, placed in his high office to further the Great Conspiracy, with my added charge that he is plotting and planning to achieve a Castro-like dictatorship. Well, such a challenge poses no problem at all; to wit:

On the surface, Castro is the all-powerful Dictator of Cuba. But the real control is in the hands of a clique of Communists (the Havana Presidium) who take their orders direct from Moscow. Castro is the "*voice*" of that Presidium — *just as Kennedy is the "voice" of the CFR!* Castro does all the ranting and the raving on orders from the clique — *Kennedy does all of his rantings on orders from the CFR!* Castro seized and expropriated (*stole*) American-owned industries and property in Cuba, with the full approval of his Communist masters in Havana — Kennedy has blackjacked American industry, notably "*Steel*", with the full approval of his CFR masters . . . he would have emulated Castro's "*expropriations*" had he dared. Castro transformed Cuba into a Communist Police State; he appointed his little brother, Raul, to head his "*Gestapo*," to terrorize the people with middle-of-the-night arrests, with jailings, with beatings and tortures, with firing squads Jack Kennedy appointed his little brother, Bobby, to head his embryonic "*Gestapo*"; he placed the FBI under little brother's control, and, suddenly, this Agency, which through all the years had carefully avoided any semblance of a State Police, has, on direct orders from our juvenile U. S. Attorney General, resorted to the

terrifying middle-of-the-night door poundings — similarly, the Income Tax boys are under instructions to harass and terrorize all who incur Kennedy displeasure; one such victim was a financial columnist who published a critical review of the Kennedy shenanigans; promptly an Income Tax man arrived to “investigate” the columnist’s tax returns — of course, the “investigator” assured the columnist that it was “just routine,” but he sure put him “through the wringer.”

Another stark example was Kennedy’s *ukase* to the Hearst Syndicate to: “STOP WINCHELL OR DROP HIM,” which I fully described in our June “Special Bulletin.”

However, it gives me great pleasure to report that both that financial columnist and Winchell have not stopped blasting the “*Damnistration*,” as Winchell has dubbed it.

Anyway, those are just two examples to prove that the Kennedy boys, like the Castros, are employing all possible methods, as far as they dare, to harass and terrorize all critics into silence — and they will continue to use those methods until Kennedy and his CFR masters will have as complete a dictatorship over the United States as Castro and his Communist masters have over Cuba . . . and, I urgently repeat: **nothing but IMPEACHMENT will stop him !!!**

Of course, the “*Liberals*,” the One-Worlders, The ADA and the ICC-CFR will stutter and splutter with indignation and rage at the mere suggestion of impeachment proceedings — ditto those who “admire” Kennedy for his “charm,” for his so-called (*aping Roosevelt*) “oratory,” etc., etc. No doubt, even many naive and more or less neutral men and women will express disapproval of such drastic action as impeachment. But in the following pages I will submit at least three major acts of deliberately contemplated treason, plus numerous minor ones, which call for the most drastic kind of action. I will also establish with *prima facie* evidence that John Kennedy is not a *lawfully* elected President — that he is a rank imposter who slithered into the office not only on rafts of falsehoods and false promises, but by means of brazen theft of votes in many states **that alone is more than enough for IMPEACHMENT !!!**

As a preface to all that, I hardly need stress that this brash young upstart in the White House has already brought the economy of our nation into a dangerous near-panic. Our Stock market is teetering and heading toward another 1929 Crash — *and DEPRESSION* . . . and if that should happen — **and the CFR GANG CAN make it happen** — it will be the first giant step toward hurtling our country into a Communist (UN) One-World Government !!!

THE KENNEDY MORAL FIBER

In our previous "News-Bulletin" (No. 90) I explored the Kennedy "Heritage" to show what makes John tick the way he does. Now, to remove all doubts about the Evil inherent in that "Heritage," I will cite a few, *just a few*, of the Family Traits the younger Kennedys have inherited from their forebears — "traits" which still govern them! True, those "traits," of themselves, provide no grounds or direct reasons for impeachment proceedings, but they clearly evidence the dire menace to our nation of a Kennedy in the White House — a Kennedy employing an inherent bent for deceit and hypocrisy to transform the Presidency into a Dictatorship.

First, let's see how Joe Kennedy prepared his kids for the high places he planned for them.

From time immemorial it has been the custom of all the nouveau riche to endeavor to pry open the gates to upper society for their offspring. Their first step is to send their youngsters to the highest schools of learning — the idea being that they would thus acquire the "spit and polish" that would transform them into "ladies" and "gentlemen." That works in some cases, but, more often, such acquired polish and counterfeit gentility are never more than skin-deep — the ill-breeding breaks through with the slightest provocation.

Naturally, all the Kennedy kids were provided with all the benefits of such "spit and polish" education that money could buy. And when I say "that money could buy" I mean just that. Not one of the Kennedy kids ever attended a public school. The boys were sent to parochial and/or private schools, then to Harvard. The girls received their education in Roman Catholic schools. None of them emerged with high scholastic honors. Jack never got an average of more than 55 in Latin — he graduated Number 64 in a class of 112. Nor did he ever get an A, or a B, or even a C, for effort. His teachers generally considered him both a lazy student and (*as one expressed it*) a "dumb cluck." All of which hardly places him in the human UNIVAC (*magic brain*) category.

The same description, more or less, fits little brother Bobby. Although he managed to pass his Bar examinations, his legal knowledge is highly questionable. As a matter of fact he has had practically no legal experience. Traditionally, the Postmaster Generalship, not the Attorney Generalship, is the reward of the political wheel of an Administration. Thus, when big brother Jack handed the At-

torney Generalship to little brother Bobby, the legal fraternity in Boston (*and Washington*) roared with raucous laughter — as one prominent Boston attorney, who knows Bobby's limitations, expressed it: "*Bobby will have to depend upon his office boys for all of his legal decisions.*" Actually, that was how all his work was done for him when he "*functioned*" as "*Counsel*" on the McCarthy and McClellan Committees — his "*efforts*" in those posts were publicized way out of proportion to the results obtained. In addition, all those who know him intimately say he is vindictive, vengeful and highly emotional. Such characteristics, coupled with his lack of legal lore, hardly qualify him as a dispenser of justice.

As for Ted, youngest of the Kennedy Klan, who is now an aspirant to fill Jack's old shoes in the Senate, he can be dismissed entirely — *he was kicked out of Harvard for CHEATING!*

In short, the chief *educational* achievement of the Kennedy boys is a Hah'vahd accent . . . now let's see how much "*polish*" they and their sisters acquired from their colleges and finishing schools.

Like the Greeks, the Irish "*have a word*" for everything — their word for a rowdy, or ruffian, is spalpeen. It is also applicable among the Irish to anybody suspected of dishonesty, or untruthfulness, of any kind of charlatanry and rascality. Of course, that word also can be used in jest — but, the wise Irishman always smiles when he (*supposedly*) uses it in jest.

Throughout his career as swamper — bouncer — bartender — saloon keeper — politician, Pat Kennedy, Jack's grandfather, was commonly referred to as "*The Spalpeen*" — and NOT in jest! However, that soubriquet never ruffled old Pat — with a perverted sense of humor, he always retorted: "*To the Shpalpeens go all the shpoils.*" But the amusing — *and significant* — point is that he always referred to his grandchildren as "*the young shpalpeens.*"

And he was so right! Everybody who ever knew the Joe Kennedy household described it as a bedlam and a never-ending Donnybrook. From the time the Kennedy kids were old enough to swing their fists, and gouge and kick, they fought with their playmates, with their schoolmates, with each other, as savagely as young hoodlums. From one such fight with Joe, Jr., Jack Kennedy emerged with twenty-eight stitches in his head.

Of course, now that Jack is the President of the U. S., he wants the public to "*forget*" that "*wild-Irish*" family trait of the Kennedys. From the moment he stepped into the White House he began to strive to create for himself (*and for the Kennedy family*) an Image of gentility, respectability, *Dignity*. He would like to convince us that

that old song "*Kind hearts and gentle people*" was written to describe the Kennedys — that all the Kennedys faithfully subscribe to the "*soft answer that turneth away wrath*" tenet. But, on the slightest provocation, that "*old debbil*" wild-Irish temper breaks through and smashes that Image, one particular instance being when the Steel industry "*dared*" to challenge his ultimatum and he flared forth with his father's luridly descriptive. "*All businessmen are sons-of-bitches!*"

I can cite an even more positive case that establishes that to this very day all the Kennedys go on the theory that the only way to settle an argument is with a shillelagh or with fists. This case has to do with a recent incident involving Ted Kennedy, the youngest of the Kennedy boys, who is now reaching for a Senatorial toga.

Dave Hackett, a friend of the Kennedys, describes rowing ashore with Teddy in a dinghy at Northeast Harbor, Maine, during a cruise. As they passed a large luxury yacht where a cocktail party was in progress, a man leaned over the rail and suggested he row faster. Teddy referred to the man's birth in his father's language, and told him to mind his own business. The man yelled: "*Come back here and say that again!*" . . . I will now repeat that story in Hackett's words:

"Teddy swung the dinghy around so fast I almost fell out. The next thing I knew, Teddy was on the yacht and the man was being thrown overboard, and all the women were screaming and running below to hide in the cabins. Their husbands were running with them to see that they were safely tucked in, I guess. By this time, I'm on the yacht with Teddy. The men start to come up the deck to deal with us, but it's a narrow hatchway and they have to come up through it one at a time. As each appears, I grab him and spin him to Teddy and Teddy throws him overboard. In no time, all of the men, there were about eight of them, were in the water. I never saw anything like it."

In short, all the Kennedy kids were *born* rowdy wild-Irish. That this is indeed a Kennedy "*family trait*", handed down from one generation to another, was emphasized by no less an authority than Jacqueline Kennedy: in a conversation with a friend she described the "*goings-on*" at the Kennedy family shindigs — "*the five-year olds,*" said Jackie, "*maul the four-year olds, the four-year olds maul the three-year olds and the three-year olds maul the two-year olds*"

Thus, during their adolescent years all the Kennedy kids were rowdy wild-Irish, virtually young hoodlums. They emerged from their colleges and finishing schools still wild-Irish, still rowdies. Their family gatherings, with their "*touch-football*" games, continue to be Donnybrooks in the full "*wild-Irish*" tradition. All of them are

avid night-clubbers — or were until Jack entered the White House. All of them prefer raffish companionships. As a startling example of that predilection, on the night that Jack achieved his nomination, he, and others of the Kennedy Klan, joined the notorious Hollywood "Rat Pack" in what was described as a wild, no-holds-barred "victory binge," wild even for Hollywood. Frank Sinatra is the Chief Rat of the Pack. Peter Lawford, Jack's brother-in-law is the next most important Rat in the Pack. Among the other Rats at that "binge" were Tony Curtis, Dean Martin, Shirley McLaine, the one-eyed Negro, Sammy Davis, Jr., etc., etc. . . . unquestionably, the most raffish of all the Hollywood riff-raff.

Apparently, it was at that "binge" that Jack and Bobbie were inducted into their Rat Pack membership, because shortly after the inauguration, at a similar "celebration binge" in Florida, Sinatra gloatingly proclaimed: "I now have a Junior Rat in the White House and another Junior Rat in the Attorney Generalship!"

Frantic White House efforts kept that uncouth boast out of the press generally, but not before it appeared in some of the Florida (and other) gossip columns. Word-of-mouth quickly spread it — particularly in politically-minded circles. To some, especially those who know the real Kennedys, it was highly amusing — to others it was shocking. But Jack saw nothing funny about it — indeed, Sinatra's boast irked him no end. As I previously stressed, from the moment he stepped into the White House he began to strive to create for himself and for his family an "image" of great dignity and high respectability — not a very easy thing to achieve for one with his (and his family's) rowdy and highly dubious background. Sinatra's boast not only made a laughing stock of him (Jack) on Capitol Hill, it also tarnished and ridiculed that greatly desired "IMAGE" *That's what the antics of the Kennedy boys did to that "Image".*

Nor have the Kennedy Girls (and in-laws) brought lustre to the Kennedy name and "Image" I can cite a number of incidents in which they were involved which would have brought a blush of shame to the collective faces of any self-respecting family, but in the interest of conserving space I will mention just two.

During his brief career as a "Hollywood Mogul", Joe Kennedy acquired a strong dislike (actually hatred) for actors. That dislike did not extend to the fair sex. Oh, no! Just the men. Anyway, he frequently said: "If there's anything I'd hate as a son-in-law, it's an actor — and if there is anything I'd hate worse than an actor, it's an English actor."

Apparently Joe's daughter Patricia (Pat) did not share her father's

antipathy, for, many years later, she married English actor, Peter Lawford. Of all the English actors who through the years invaded Hollywood, I consider Petah the least admirable. Actually, in his case, "actor" is a misnomer — Hedda Hopper expressed it aptly when she stated "absolutely non-talented, he can't sing and dances with two left feet. Charm boy? I certainly fail to see how he could be." His father was a baronet, Sir Sidney Lawford — his mother is a distinguished and charming Lady, but Petah must be a throwback to one of their less worthy ancestors. To express it mildly, Petah is the kind of an "English gentleman" that even a mother can't love. Moreover, Lady Lawford has made no secret of that fact — nor is it a secret that she loathes the Kennedys, Joe in particular.

As previously stated, Petah is the No. 2 Rat in the Pack. Naturally, the Rat Pack automatically became Pat Kennedy Lawford's social circle. One of the most important Rats, the one-eyed Negro Sammy Davis, Jr., is unquestionably the most obnoxious of all the Negroes in show business. Everything about him is instantaneously detestable. As an indication of how he affects people, during one of his performances at the Paladium in London, the audience began to chant: "Go back to the trees, Sammy, go back to the trees." His chief obsession is white women. He finally found a Swedish female, May Britt, willing to marry him. Well, on the day of the wedding, all of his brother and sister Rats, among them Pat (Kennedy) Lawford, assembled on the sidewalk in front of the building where the weird ceremony was taking place. Naturally, the event was being covered by the press. As the Negro and his white wife emerged, Pat, *our President's sister*, screamed: "Hi, chickie baby", and dashed into his arms for a hug and a kiss.

That incident hit the Los Angeles press and Radio within an hour. It quickly spread. It shocked and horrified all decent people — it stunned even the Rat Pack. The telephone wires between the White House and the Lawford home *sizzled* — for all the good it did JFK *Pat is a Kennedy, too, you know.*

The second incident occurred during a hilarious swimming-pool party at the swank home of the Bobby Kennedys. Ethel (*Mrs. Bobby*) had balanced a table on a plank over one end of the pool and invited a group of guests, Astronaut Glenn and the newly appointed U. S. Supreme Court Justice Whizzer White among them, to sit at the table with her. Then, after all of them were comfortably seated, Ethel tipped the table and, kerplunk, she, Arthur Schlesinger and a Mrs. Spencer Davis, landed in the pool. Shrieking with laughter, Ethel climbed out of the pool, shook herself, and went into a "Twist" dance with *Harry Belafonte, the Negro singer!* Oh, it was indeed a

"glamorous" party! But if you think it was an unusual "party," and the dunking just a happenstance, perish the thought. Our "highly dignified" Attorney General and his lively wife just love to stage such parties — *always replete with Harry Belafontes, Sammy Davis, Jr., other Rats of the Pack, etc.* At one such party, Teddy Kennedy, who also fancies himself to be an heir-apparent to the throne in the White House, got dunked in the same pool, then, dripping like a wet collie dog, proceeded to chase all the women to dance with him. Such are the Kennedys — *arbiters of the destiny of our nation!*

THE KENNEDY POLITICAL "INTEGRITY"

The Kennedy boys inherited their political ambitions from their grandfathers, saloon-keeper Pat Kennedy and John ("Honey") Fitzgerald. It is only natural that with those ambitions they also "inherited" all of the trickeries, chicaneries and political crookednesses of both men. During his Hollywood days, Joe Kennedy loved to reminisce about his father's political maneuverings. One of his first memories of those maneuverings was of two henchmen coming to the Kennedy home and saying to his father: "*Pat, we voted one hundred and twenty-eight times today.*" Another of his most nostalgic recollections was the trick old Pat employed to block an opponent for a seat in The Massachusetts Legislation: he blocked off and barricaded all the streets leading into his district, so as to prevent his opponent's delegates from arriving in time to vote. In addition, he dispatched gangs of his hoodlum-henchmen to pick fights with the delegates, thus bringing in the police to arrest the fighters and haul all of them off to the hoosegow.

The maternal grandfather of the Kennedys, John ("Honey") Fitzgerald, was even more devious. Twice elected Mayor of Boston, by employing every crooked trick in the political game, he then tried twice for the governorship, also the Senate. Defeated in each attempt, he finally tried for the House of Representatives — and (*supposedly*) won. An official U. S. Government publication, the "*Biographical Directory of the American Congress, 1774-1949,*" states that John F. Fitzgerald "*presented credentials as Democratic member-elect and served from March 4, 1919 until October 23, 1919 when he was succeeded by Peter F. Tague, who contested his election.*"

Mr. Tague submitted overwhelming evidence that Fitzgerald had achieved his "*election*" by large-scale fraud — that his "*political organization*" had manipulated false registrations of thousands of non-resident "*repeat*" voters in many of the precincts — and that

"every permanent resident of every cemetery in the district voted for Fitzgerald again and again and again." Fitzgerald was ousted from his seat — and was never permitted to run for public office again. Indeed, he just barely escaped a term in prison.

Thus, it is obvious that political crookedness is inherent — *and a matter of instinct with the Kennedys*. As a matter of fact, in his very first foray into the political world, Jack Kennedy broke the law, to wit: To enter a candidate for the primary in the state of Massachusetts, it is necessary to certify the names of 250 Party members. On April 2, 1946, when such a list was submitted on Jack's behalf to the Office of the Registrars of Voters and Election Commissioners of the State, it was found that Jack himself was not an enrolled Democrat. As a citizen of Massachusetts, he had cast only absentee ballots from various Navy Posts.

That law was clear, concise and, supposed to be rigid. A serviceman could register as a voter by mail, but he had to appear in person to enroll as a member of the party of his choice. Thus, Jack Kennedy was not only ineligible as a candidate, he could not even vote.

April 30 was the last filing day for a candidate and the law required a candidate to be a *certified* party member for not less than 30 days prior to that date. Jack's oversight was discovered on April 2. On April 3, twenty-seven days before the election, he slipped into the City Hall and registered as a Democrat. He did this although the law allows no leniency and no exceptions... *but he got away with it!*

THE FRAUDULENT 1960 "ELECTION"

I could cite many of JFK's political chicaneries during his 16 years in politics, but I will confine myself to the most heinous one — his "*election*" to the Presidency. That was the most reprehensible act of political crookedness in the entire history of the United States.

As we know, he was "*elected*" by a margin of, in round figures, 112,000 votes. But a proper recount would show that his gang stole perhaps ten times that many votes. They employed all of the John Fitzgerald techniques, plus many others. And, of course, many of the permanent "*residents*" of many of the cemeteries in various parts of the country were among the Kennedy voters — particularly in Illinois, Missouri, So. Carolina and Texas.

In Illinois, where Kennedy "*won*" by 8,000 votes, Mrs. Wayland

C. Brooks, Republican National Committeewoman for Illinois, issued a statement, following a Republican investigation, which claimed: "*We are sure, after five weeks of fighting every step of the way, that we really carried Illinois by more than 50,000 votes.*"

Even more significant is an *official record* that on April 14, 1961, a DEMOCRAT, Morris Wexler, special investigator and prosecutor of vote frauds in Illinois, submitted to County Judge Thaddeus V. Adesko a list of 662 precinct judges and party workers involved in four classes of vote frauds. These were: 1) misconduct in reporting election returns in precincts where voting machines were used; 2) misconduct in precincts where paper ballots were used; 3) charges involving voting by unqualified voters; and 4) charges of exercising improper influence at the polls. All of which more than confirms Mrs. Brooks' claim.

In Texas, Nixon was nearly 80,000 ahead on the final count of the voting machines, but along the border areas, long notorious for unrestricted political shenanigans, and where there were few if any Republican poll watchers, the vote shifted the balance for Kennedy. St. Louis, where the Republicans had no poll watchers in more than 335 precincts, swung Missouri, which, at that, went to Kennedy by less than 10,000 votes.

Quite a number of newspapers, even some of the Left-wing, asserted that the vote stealing was coupled with heavy cash bribes by Joe Kennedy. Arthur F. Hermans of the Gannett News Service reported of the Kennedy pre-convention organization: "*Kennedy's well-oiled political machine had everything except a fund-raising section. Not one appeal ever was issued to raise primary money for Kennedy. Yet the report is that multi-millionaire Joseph P. Kennedy spent SEVEN MILLION dollars on this phase of the campaign alone.*"

Even COPE, Labor's press voice, which certainly is in Kennedy's corner, stated that a change of just a few thousand votes in two or three of the above mentioned states would have spelled defeat for him.

Now, all of the above statements are not hearsay, or rumors. They are authenticated facts, all of them supported by OFFICIAL findings. John F. ("Honey") Fitzgerald was thrown out of the House of Representatives because his election opponent fought the vote steal. But, unlike Mr. Tague, in 1919, Dick Nixon, *undoubtedly on orders from CFR*, refused to challenge the election results.

That establishes beyond any doubt that John F. Kennedy is not the lawful President of the United States . . . that he is a brazen

usurper of that office . . . that it is the most brazen theft of high office ever perpetrated in the history of our nation!

That alone demands that Congress haul him up for IMPEACHMENT proceedings — and trial for fraud!

HIS CAMPAIGN SHENANIGANS

Any attempt to chronologically record all of John Kennedy's political shenanigans and his deliberately false promises during his campaign for the Presidency would require several volumes of white space. However, I will cite one outstanding incident to serve as prima facie evidence of his utter disregard of truth, honor and decency.

As we know, in Boston, compared with the Cabots and the Lodges and the Saltonstalls, the Kennedys were considered political, as well as social, riff-raff. Realizing that in order to advance his political ambitions he would have to create an "IMAGE" for himself, Jack Kennedy began to make speeches all over the state of Massachusetts. Ordinary speeches, he felt, would not do much for his desired "IMAGE," so he seized upon every form of sensationalism for his subjects. In 1947 some of the truths about Franklin Roosevelt's political treacheries began to emerge. So, in a speech he delivered in Salem, Massachusetts, during that year, Jack Kennedy really flayed Roosevelt. In so many words, he denounced Roosevelt as a political crook — and particularly assailed his secret dealings (*betrayals*) with Stalin at Yalta. He also stressed that during his last years Roosevelt was a senile old idiot. He topped it off with some slighting remarks about Eleanor.

However, all that boomeranged against him in 1956, when he angled for the Vice Presidential candidacy. It was Eleanor and her gang (ADA) of Left-wing Democrats who balked him. He realized that if he dared hope for the Presidential nomination in 1960 he would have to fix his fences with that gang. He began to pander to Arthur Schlesinger and his faction of so-called intellectuals. They arranged a dinner engagement for Jack and Eleanor. Jack ate plenty of crow that night — and faithfully promised to make amends for his 1947 "*faux pas*." So'o'o, during his campaign he constantly eulogized "*Saint Franklin*", extolled his "*virtues*", his great "*humanitarianism*," his great administrative "*wisdom*," and pledged himself to "*take up where (the Pearl Harbor — Yalta) betrayer left off*."

With that very pledge, he told the American people that he would carry on the conspiracy to destroy the sovereignty of the nation which he was later to take an oath to preserve!

MORE GROUNDS FOR IMPEACHMENTS

No. 1) Throughout the campaign Kennedy kept charging that during the Eisenhower Administration American prestige throughout the world had plummeted to an all-time low. He cited many specific causes for that deterioration, but stressed Eisenhower's inept bungling of the Cuban situation. The horrifying debacle of the Cuban invasion is still too fresh in our minds to need reviewing in these pages. That debacle was a deliberate betrayal — it anchored a Communist menace right on our doorstep — it was treason in every meaning of that word. To emphasize that charge, I quote the following from **READER'S DIGEST**, issue of March 1962: "*Richard Nixon has said, 'If I had been responsible for failing to make a critical decision on the Cuban business which would have brought victory, I would have been impeached.'*"

Well, why not Kennedy? Why not the traitors in the State Department and in the Pentagon who wittingly and deliberately engineered that debacle? No. 2) Several months after the "*coronation*" of King John (*that is his conception of the inauguration*) our nation was rocked by the stunning revelation that the Kennedy Administration was delivering (*virtually GRATIS*) hundreds of our Jet Bombers to Yugoslavia. Kennedy pooh-poohed that "*tempest in a teapot*" and asserted that those planes were obsolete and we had to get rid of them. To his dismay — *and rage* — a Pentagon official denied it, and stated that all the Bombers delivered to Tito were exactly the same type as those in our own Air Force. Then came the further horrifying revelation that, *on orders from the White House*, our own U. S. Air Force was secretly training Yugoslav (*and other Red nations*) pilots how to operate those Bombers. The entire nation erupted with fury and indignation. It frightened Joe Kennedy's boy. But it also enraged him. He savagely denounced all those who voiced their anger — he branded them as "*dangerous Extremists*." In so many words "*. . . how did they dare to criticize or question His Majesty's orders?*" . . . and promptly little brother Bobby ordered the Income Tax boys to descend on the most demonstrative objectors and "*examine*" their income-tax Reports.

That entire incident was an act of **RANK TREASON**, as defined by our Constitution under the "rendering aid and comfort to the Enemy" section — and **DEMANDS** impeachment proceeding!

No. 3) Under the Eisenhower Administration there was at least a partial ban on admission via our postal service of Communist propo-

ganda published and printed by Moscow, Prague and other Communist nations. Kennedy had hardly been inaugurated, when he ordered the lifting of all such bans and provided *free* delivery of same by our post-offices. As if they were waiting for that signal, Moscow began to pour their publications into our country by the *millions of tons*. That propoganda is deliberately intended to brainwash the American people — *especially our Youth* — into acceptance of Marxism. That is RANK TREASON !!! In addition, it tremendously increased the cost of operating our Post Office Department — and then, to meet that increased cost, Kennedy *brazenly* demanded that Congress increase all of our postal rates! *The taxpayers were to pay the costs of brainwashing our people!* How do you like that?

Now, this issue is devoted entirely to the features that DEMAND the impeachment of John F. Kennedy. There is a great deal to be said about the internal (domestic) havoc he has been creating from the very day he stepped into office. This can be charged to the mismanagement of an utterly ignorant, untrained, immature mind. I will review all of it in a later issue to be titled: "THE STATE DEPARTMENT AND OUR INVISIBLE GOVERNMENT." However, because, at the time of the Steel fiasco, one prominent Senator summed up the entire Kennedy mishmash in one sentence, I believe a repeat of his summation is apropos at this point.

As we all can recall, Kennedy erupted with wild rage at the time — he denounced all businessmen who opposed him as "*Sons of Bitches*". Simultaneously, little brother Bobby ordered the FBI and the Internal Revenue boys to harass and persecute various critics of the Administration. At the same time, the Salingers, Sorensons, Schlesingers, and others of the "*Irish Mafia*," spread the "*warning*" that King John is a very nice, generous and genial "*monarch*," but God help those who oppose or criticize him — and more words to that effect. And they also stressed: "*Look out, Little Bobby is watching you!*" Indeed, with those warnings, Jack acquired a new nickname: "*Tiger Kennedy*," no less. That was when the aforementioned Senator said: "*Our hapless country has fallen into the hands of a couple of ill-mannered, ill-bred, ill-tempered brats, who scream with rage when they can't have their way . . . here is a man (Jack) who never had to meet a payroll, who never had to live within a budget, who never has had to even earn the dollars to pay for his food and for his orgies—yet he insists on running the Economy of our nation—how long, oh, Lord, how long!*"

This is a true and most ironic picture of the assumption of "*royalty*" by the ill-bred Kennedy "*brats*," but it contains a highly tragic consequence for our country and for the American people unless

we quickly take the necessary action to strip them of their usurped powers. With all their arrogance, we know that they are captives of the Masterminds of the Great Conspiracy to transform our nation into a unit of a Communist (UN) One-World Government. For those who still cannot completely accept the Cuban Debacle, the delivery of our Jet Bombers — and secret training of Red Pilots; of the “open door” to Communist propoganda, as grounds for impeachment, I submit the “Department of State Publication 7277.” This is a verbatim reprint of a plot to achieve the complete delivery of the U. S. to enslavement to the UN. I urge you to read it slowly — to pierce through the thin and obvious camouflaging of the plot. It is exactly the same plot that was embodied in the brazen “RESOLUTION” of the “United World Federalists,” which was fully exposed in 1949 and rescinded in 1950, when it was proclaimed to be “an outright treason plot” — and the UWF denounced as “a cabal of traitors.”

KENNEDY'S “DISARMAMENT” PLOT

“Department of State Publication 7277 . . . Disarmament Series 5. Released September 1961 . . . Office of Public Services . . . BUREAU OF PUBLIC SERVICES.”

“Introduction:—

“The revolutionary development of modern weapons within a world divided by serious ideological differences has produced a crisis in human history. In order to overcome the danger of nuclear war now confronting mankind, the United States has introduced at the Sixteenth General Assembly of the United Nations a Program for General and Complete Disarmament in a Peaceful World.

“This new program provides for the progressive reduction of the war-making capabilities of nations and the simultaneous strengthening of international institutions to settle disputes and maintain the peace. It sets forth a series of comprehensive measures which can and should be taken in order to bring about a world in which there will be freedom from war and security for all states. It is based on three principles deemed essential to the achievement of practical progress in the disarmament field:

“First, there must be immediate disarmament action:—

“A strenuous and uninterrupted effort must be made toward the goal of general and complete disarmament; at the same time, it is important that specific measures be put into effect as soon as possible.

"Second, all disarmament obligations must be subject to effective international controls:—

"The control organization must have the manpower, facilities, and effectiveness to assure that limitations or reductions take place as agreed. It must also be able to certify to all states that retained forces and armaments do not exceed those permitted at any stage of the disarmament process.

"Third, adequate peace-keeping machinery must be established:—

"There is an inseparable relationship between the scaling down of national armaments on the one hand and the building up of international peace-keeping machinery and institutions on the other. Nations are unlikely to shed their means of self-protection in the absence of alternative ways to safeguard their legitimate interests. This can only be achieved through the progressive strengthening of international institutions under the United Nations and by creating a United Nations Peace Force to enforce the peace as the disarmament process proceeds.

"There follows a summary of the principal provisions of the United States Program for General and Complete Disarmament in a Peaceful World. The full text of the program is contained in an appendix to this pamphlet."

"FREEDOM FROM WAR

"The United States Program for General and Complete Disarmament in a Peaceful World

"Summary:— Disarmament Goal and Objectives

"The over-all goal of the United States is a free, secure, and peaceful world of independent states adhering to common standards of justice and international conduct and subjecting the use of force to the rule of law; a world which has achieved general and complete disarmament under effective international control; and a world in which adjustment to change takes place in accordance with the principles of the United Nations.

"In order to make possible the achievement of that goal, the program sets forth the following specific objectives toward which nations should direct their efforts:

"The disbanding of all national armed forces and the prohibition of their reestablishment in any form whatsoever other than those required to preserve internal order and for contributions to a United Nations Peace Force;

"The elimination from national arsenals of all armaments,, including all weapons of mass destruction and the means for their delivery, other than those required for a United Nations Peace Force and for maintaining internal order;

"The institution of effective means for the enforcement of international agreements, for the settlement of disputes, and for the maintenance of peace in accordance with the principles of the United Nations;

"The establishment and effective operation of an International Disarmament Organization within the framework of the United Nations to insure compliance at all times with all disarmament obligations.

"Task of Negotiating States:—

"The negotiating states are called upon to develop the program into a detailed plan for general and complete disarmament and to continue their efforts without interruption until the whole program has been achieved. To this end, they are to seek the widest possible area of agreement at the earliest possible date. At the same time, and without prejudice to progress on the disarmament program, they are to seek agreement on those immediate measures that would contribute to the common security of nations and that could facilitate and form part of the total program.

Governing Principles:—

"The program sets forth a series of general principles to guide the negotiating states in their work. These make clear that:

"As states relinquish their arms, the United Nations must be progressively strengthened in order to improve its capacity to assure international security and the peaceful settlement of disputes;

"Disarmament must proceed as rapidly as possible, until it is completed, in stages containing balanced, phased, and safeguarded measures;

"Each measure and stage should be carried out in an agreed period of time, with transition from one stage to the next to take place as soon as all measures in the preceding stage have been carried out and verified and as soon as necessary arrangements for verification of the next stage have been made;

"Inspection and verification must establish both that nations carry out scheduled limitations or reductions and that they do not retain armed forces and armaments in excess of those permitted at any stage of the disarmament process; and

"Disarmament must take place in a manner that will not affect adversely the security of any state.

"Disarmament Stages:—

"The program provides for progressive disarmament steps to take place in three stages and for the simultaneous strengthening of international institutions.

"First Stage:—

"The first stage contains measures which would significantly reduce the capabilities of nations to wage aggressive war. Implementation of this stage would mean that:—

"The nuclear threat would be reduced:

"All states would have adhered to a treaty effectively prohibiting the testing of nuclear weapons.

"The production of fissionable materials for use in weapons would be stopped and quantities of such materials from past production would be converted to non-weapons uses.

"States owning nuclear weapons would not relinquish control of such weapons to any nation not owning them and would not transmit to any such nation information or material necessary for their manufacture.

"States not owning nuclear weapons would not manufacture them or attempt to obtain control of such weapons belonging to other states.

"A Commission of Experts would be established to report on the feasibility and means for the verified reduction and eventual elimination of nuclear weapons stockpiles.

"Strategic delivery vehicles would be reduced:—

"Strategic nuclear weapons delivery vehicles of specified categories and weapons designed to counter such vehicles would be reduced to agreed levels by equitable and balanced steps, their production would be discontinued or limited; their testing would be limited or halted.

"Arms and armed forces would be reduced:—

"The armed forces of the United States and the Soviet Union would be limited to 2.1 million men each (with appropriate levels not exceeding that amount for other militarily significant states); levels of armaments would be correspondingly reduced and their production would be limited.

"An Experts Commission would be established to examine and report on the feasibility and means of accomplishing verifiable re-

duction and eventual elimination of all chemical, biological and radiological weapons.

"Peaceful use of outer space would be promoted:—

- "The placing in orbit or stationing in outer space of weapons capable of producing mass destruction would be prohibited States would give advance notification of space vehicle and missile launchings.

"U. N. peace-keeping powers would be strengthened:—

"Measures would be taken to develop and strengthen United Nations arrangements for arbitration, for the development of international law, and for the establishment in Stage II of a permanent U.N. Peace Force.

"An International Disarmament Organization would be established for effective verification of the disarmament program.—

"Its functions would be expanded progressively as disarmament proceeds.

"It would certify to all states that agreed reductions have taken place and that retained forces and armaments do not exceed permitted levels.

"It would determine the transition from one stage to the next.

"States would be committed to other measures to reduce international tension and to protect against the chance of war by accident, miscalculation, or surprise attack:

"States would be committed to refrain from the threat or use of any type of armed force contrary to the principles of the U.N. Charter and to refrain from indirect aggression and subversion against any country.

"A U.N. peace observation group would be available to investigate any situation which might constitute a threat to or breach of the peace.

"States would be committed to give advance notice of major military movements which might cause alarm; observation posts would be established to report on concentrations and movements of military forces.

"Second Stage:—

"The second stage contains a series of measures which would bring within sight a world in which there would be freedom from war. Implementation of all measures in the second stage would mean:

"Further substantial reductions in the armed forces, armaments,

and military establishments of states, including strategic nuclear weapons delivery vehicles and countering weapons;

“Further development of methods for the peaceful settlement of disputes under the United Nations;

“Establishment of a permanent international peace force within the United Nations;

“Depending on the findings of an Experts Commission, a halt in the production of chemical, bacteriological, and radiological weapons and a reduction of existing stocks or their conversion to peaceful uses;

“On the basis of the findings of an Experts Commission, a reduction of stocks of nuclear weapons;

“The dismantling or the conversion to peaceful uses of certain military bases and facilities wherever located; and

“The strengthening and enlargement of the International Disarmament Organizations to enable it to verify the steps taken in Stage II and to determine the transition to Stage III.

“Third Stage:

“During the third stage of the program, the states of the world, building on the experience and confidence gained in successfully implementing the measures of the first two stages, would take final steps toward the goal of a world in which:

“States would retain only those forces, non-nuclear armaments, and establishments required for the purpose of maintaining internal order; they would also support and provide agreed manpower for a U.N. Peace Force.

“The U.N. Peace Force, equipped with agreed types and quantities of armaments, would be fully functioning.

“The manufacture of armaments would be prohibited except for those of agreed types and quantities to be used by the U.N. Peace Force and those required to maintain internal order. All other armaments would be destroyed or converted to peaceful purposes.

“The peace-keeping capabilities of the United Nations would be sufficiently strong and the obligations of all states under such arrangements sufficiently far-reaching as to assure peace and the just settlement of differences in a disarmed world.

"DECLARATION ON DISARMAMENT

**"The United States Program for General and Complete
Disarmament in a Peaceful World**

"The Nations of the world,

"Conscious of the crisis in human history produced by the revolutionary development of modern weapons within a world divided by serious ideological differences;

"Determined to save present and succeeding generations from the scourge of war and the dangers and burdens of the arms race and to create conditions in which all peoples can strive freely and peacefully to fulfill their basic aspirations;

"Declare their goal to be: A free, secure, and peaceful world of independent states adhering to common standards of justice and international conduct and subjecting the use of force to the rule of law; a world where adjustment to change takes place in accordance with the principles of the United Nations; a world where there shall be a permanent state of general and complete disarmament under effective international control and where the resources of nations shall be devoted to man's material, cultural, and spiritual advance;

"Set forth as the objectives of a program of general and complete disarmament in a peaceful world:

"(a) The disbanding of all national armed forces and the prohibition of their reestablishment in any form whatsoever other than those required to preserve internal order and for contributions to a United Nations Peace Force;

"(b) The elimination from national arsenals of all armaments, including all weapons of mass destruction and the means for their delivery, other than those required for a United Nations Peace Force and for maintaining internal order;

"(c) The establishment and effective operation of an International Disarmament Organization within the framework of the United Nations to ensure compliance at all times with all disarmament obligations;

"(d) The institution of effective means for the enforcement of international agreements, for the settlement of disputes, and for the maintenance of peace in accordance with the principles of the United Nations.

“Call on the negotiating states:— (a) To develop the outline program set forth below into an agreed plan for general and complete disarmament and to continue their efforts without interruption until the whole program has been achieved;

“(b) To this end to seek to attain the widest possible area of agreement at the earliest possible date;

“(c) Also to seek—without prejudice to progress on the disarmament program—agreement on those immediate measures that would contribute to the common security of nations and that could facilitate and form a part of that program.

“Affirm that disarmament negotiations should be guided by the following principles:

“(a) Disarmament shall take place as rapidly as possible until it is completed in stages containing balanced, phased and safeguarded measures, with each measure and stage to be carried out in an agreed period of time.

“(b) Compliance with all disarmament obligations shall be effectively verified from their entry into force. Verification arrangements shall be instituted progressively and in such a manner as to verify not only that agreed limitations or reductions take place but also that retained armed forces and armaments do not exceed agreed levels at any stage.

“(c) Disarmament shall take place in a manner that will not affect adversely the security of any state, whether or not a party to an international agreement or treaty.

“(d) As states relinquish their arms, the United Nations shall be progressively strengthened in order to improve its capacity to assure international security and the peaceful settlement of differences as well as to facilitate the development of international cooperation in common tasks for the benefit of mankind.

“(e) Transition from one stage of disarmament to the next shall take place as soon as all the measures in the preceding stage have been carried out and effective verification is continuing and as soon as the arrangements that have been agreed to be necessary for the next stage have been instituted

“Agree upon the following outline program for achieving general and complete disarmament:

“Stage I

“A. To Establish an International Disarmament Organization:

“(a) An International Disarmament Organization (IDO) shall be established

within the framework of the United Nations upon entry into force of the agreement. Its functions shall be expanded progressively as required for the effective verification of the disarmament program.

"(b) The IDO shall have: (1) a General Conference of all the parties; (2) a Commission consisting of representatives of all the major powers as permanent members and certain other states on a rotating basis; and (3) an Administrator who will administer the Organization subject to the direction of the Commission and who will have the authority, staff, and finances adequate to assure effective impartial implementation of the functions of the Organization.

"(c) The IDO shall: (1) ensure compliance with the obligations undertaken by verifying the execution of measures agreed upon; (2) assist the states in developing the details of agreed further verification and disarmament measures; (3) provide for the establishment of such bodies as may be necessary for working out the details of further measures provided for in the program and for such other expert study groups as may be required to give continuous study to the problems of disarmament; (4) receive reports on the progress of disarmament and verification arrangements and determine the transition from one stage to the next.

"B. To Reduce Armed Forces and Armaments:

"(a) Force levels shall be limited to 2.1 million each for the U. S. and U.S.S.R. and to appropriate levels not exceeding 2.1 million each for all other militarily significant states. Reductions to the agreed levels will proceed by equitable, proportionate, and verified steps.

"(b) Levels of armaments of prescribed types shall be reduced by equitable and balanced steps. The reductions shall be accomplished by transfers of armaments to depots supervised by the IDO. When, at specific periods during the Stage 1 reduction process, the states party to the agreement have agreed that the armaments and armed forces are at prescribed levels, the armaments in depots shall be destroyed or converted to peaceful uses.

"(c) The production of agreed types of armaments shall be limited

"(d) A Chemical, Biological, Radiological (CBR) Experts Commission shall be established within the IDO for the purpose of examining and reporting on the feasibility and means for accomplishing the verifiable reduction and eventual elimination of CBR weapons stockpiles and the halting of their production.

"C. To Contain and Reduce the Nuclear Threat:

"(a) States that have not acceded to a treaty effectively prohibiting the testing of nuclear weapons shall do so.

"(b) The production of fissionable materials for use in weapons shall be stopped.

"(c) Upon the cessation of production of fissionable materials for use in weapons, agreed initial quantities of fissionable materials from past production shall be transferred to non-weapons purposes.

"(d) Any fissionable materials transferred between countries for peaceful uses of nuclear energy shall be subject to appropriate safeguards to be developed in agreement with the IAEA.

"(e) States owning nuclear weapons shall not relinquish control of such weapons to any nation not owning them and shall not transmit to any such nation information or material necessary for their manufacture. States not owning nuclear weapons shall not manufacture such weapons, attempt to obtain control of such weapons belonging to other states, or seek or receive information or materials necessary for their manufacture.

"(f) A Nuclear Experts Commission consisting of representatives of the nuclear states shall be established within the IDO for the purpose of examining and reporting on the feasibility and means for accomplishing the verified reduction and eventual elimination of nuclear weapons stockpiles.

"D. To Reduce Strategic Nuclear Weapons Delivery Vehicles:

(a) Strategic nuclear weapons delivery vehicles in specified categories and agreed types of weapons designed to counter such vehicles shall be reduced to agreed levels by equitable and balanced steps. The reduction shall be accomplished in each step by transfers to depots supervised by the IDO of vehicles that are in excess of levels agreed upon for each step. At specified periods during the Stage 1 reduction process, the vehicles that have been placed under supervision of the IDO shall be destroyed or converted to peaceful uses.

"(b) Production of agreed categories of strategic nuclear weapons delivery vehicles and agreed types of weapons designed to counter such vehicles shall be discontinued or limited.

"(c) Testing of agreed categories of strategic nuclear weapons delivery vehicles and agreed types of weapons designed to counter such vehicles shall be limited or halted.

"E. To Promote the Peaceful Use of Outer Space:

"(a) The placing into orbit or stationing in outer space of weapons capable of producing mass destruction shall be prohibited.

"(b) States shall give advance notification to participating states and to the IDO of launchings of space vehicles and missiles, together with the track of the vehicle.

"F. To Reduce the Risks of War by Accident, Miscalculation, and Surprise Attack:

"(a) States shall give advance notification to the participating states and to the IDO of major military movements and maneuvers, on a scale as may be agreed, which might give rise to misinterpretation or cause alarm and induce countermeasures. The notification shall include the geographic areas to be used and the nature, scale and time span of the event.

"(b) There shall be established observation posts at such locations as major ports, railway centers, motor highways, and air bases to report on concentrations and movements of military forces.

"(c) There shall also be established such additional inspection arrangements to reduce the danger of surprise attack as may be agreed.

"(d) An international commission shall be established immediately within the IDO to examine and make recommendations on the possibility of further measures to reduce the risks of nuclear war by accident, miscalculation, or failure of communication.

"G. To Keep the Peace:

"(a) States shall reaffirm their obligations under the U.N. Charter to refrain from the threat or use of any type of armed force—including nuclear, conventional, or CBR—contrary to the principles of the U.N. Charter.

"(b) States shall agree to refrain from indirect aggression and subversion against any country.

"(c) States shall use all appropriate processes for the peaceful settlement of disputes and shall seek within the United Nations further arrangements for the peaceful settlement of international disputes and for the codification and progressive development of international law.

"(d) States shall develop arrangements in Stage I for the establishment in Stage II of a U.N. Peace Force.

"(e) A U.N. peace observation group shall be staffed with a standing cadre of observers who could be despatched to investigate any situation which might constitute a threat to or breach of the peace.

"STAGE II

"A. International Disarmament Organization.

"The powers and responsibilities of the IDO shall be progressively enlarged in order to give it the capabilities to verify the measures undertaken in Stage II.

B. To Further Reduce Armed Forces and Armaments:

"(a) Levels of forces for the U.S., U.S.S.R., and other militarily significant states shall be further reduced by substantial amounts to agreed levels in equitable and balanced steps.

"(b) Levels of armaments of prescribed types shall be further reduced

by equitable and balanced steps. The reduction shall be accomplished by transfers of armaments to depots supervised by the IDO. When, at specified periods during the Stage II reduction process, the parties have agreed that the armaments and armed forces are at prescribed levels, the armaments in depots shall be destroyed or converted to peaceful uses.

"(c) There shall be further agreed restrictions on the production of armaments.

"(d) Agreed military bases and facilities wherever they are located shall be dismantled or converted to peaceful uses.

"(e) Depending upon the findings of the Experts Commission on CBR weapons, the production of CBR weapons shall be halted, existing stocks progressively reduced, and the resulting excess quantities destroyed or converted to peaceful uses.

"C. To Further Reduce the Nuclear Threat:

"Stocks of nuclear weapons shall be progressively reduced to the minimum levels which can be agreed upon as a result of the findings of the Nuclear Experts Commission; the resulting excess of fissionable material shall be transferred to peaceful purposes.

"D. To Further Reduce Strategic Nuclear Weapons Delivery Vehicles:

"Further reductions in the stocks of strategic nuclear weapons delivery vehicles and agreed types of weapons designed to counter such vehicles shall be carried out in accordance with the procedure outlined in Stage I.

"E. To Keep the Peace:

"During Stage II, states shall develop further the peace-keeping processes of the United Nations, to the end that the United Nations can effectively in Stage III deter or suppress any threat or use of force in violation of the purposes and principles of the United Nations:

"(a) States shall agree upon strengthening the structure, authority, and operation of the United Nations so as to assure that the United Nations will be able effectively to protect states against threats to or breaches of the peace.

"(b) The U.N. Peace Force shall be established and progressively strengthened.

"(c) States shall also agree upon further improvements and developments in rules of international conduct and in processes for peaceful settlement of disputes and differences.

STAGE III

"By the time Stage II has been completed, the confidence produced through a verified disarmament program, the acceptance of rules of peaceful international behavior, and the development of strengthened international peace-keeping processes within the framework of the U.N. should

have reached a point where the states of the world can move forward to Stage III. In Stage III progressive controlled disarmament and continuously developing principles and procedures of international law would proceed to a point where no state would have the military power to challenge the progressively strengthened U.N. Peace Force and all international disputes would be settled according to the agreed principles of international conduct.

"The progressive steps to be taken during the final phase of the disarmament program would be directed toward the attainment of a world in which:

"(a) States would retain only those forces, non-nuclear armaments, and establishments required for the purpose of maintaining internal order; they would also support and provide agreed man-power for a U N. Peace Force.

"(b) The U.N. Peace Force, equipped with agreed types and quantities of armaments, would be fully functioning.

"(c) The manufacture of armaments would be prohibited except for those of agreed types and quantities to be used by the U.N. Peace Force and those required to maintain internal order. All other armaments would be destroyed or converted to peaceful purposes.

"(d) The peace-keeping capabilities of the United Nations would be sufficiently strong and the obligations of all states under such arrangements sufficiently far-reaching as to assure peace and the just settlement of differences in a disarmed world."

And the U. S. A. would no longer be a sovereign state, but a unit in the Communist UN One-World Government !!!

IMPORTANT ADDENDUMS.

Our "Tract No. 8" contains a report of the UN "invasion" and "capture" of a number of small cities in California, Texas and New York. Limitation of space prevented naming the cities. In response to many requests, following are some of the names: Compton, South Gate, Anaheim, Inglewood, Santa Ana, Downey, Paramount, all in California; Manassus, Texas; Watertown, New York. The uproar caused by those "invasions" forced the UN to hastily abandon plans for similar "invasions" of other communities.

HELP GET U. S. OUT OF UN !!!
—●—

One of our most important objectives since 1946 has been to get the U. S. out of the UN — and the UN out of the U. S. To achieve that objective all we really need is an exhaustive Congressional investigation of the UN. Such an investigation will unmask the entire Internationalists' Conspiracy to transform that monstrosity (UN) into a Communist One-World Government in which our nation would be engulfed and transformed into an enslaved unit — exactly as Hungary is an enslaved Satellite of Moscow.

Well, at long last we have a CHAMPION in the House of Representatives who has dedicated himself to accomplish that objective. His name is Hon. James B. Utt (Cal.), Old House Office Building, Washington D. C. He is endeavoring to line up the necessary additional Representatives to get the movement under way. Every loyal American must go all-out to help him! You can do it by sending signed copies of our UN Tract No. 1, or UN Tract No. 2, or any of our Tracts bearing on the UN, to your Representative and Senators, together with a personal letter. At the same time, be sure to send signed Tracts to Mr. Utt and assure him of your support.

If James B. Utt will never do anything else but accomplish a full Congressional investigation of the UN he will go down in our history as the savior of our Country . . . because such an investigation will do a repeat of what happened in 1949-50 when the California Legislature reviewed the UWF traitorous "RESOLUTION" — and rescinded it!

SUBJECT: "WHY KENNEDY MUST BE IMPEACHED"
BY MYRON C. FAGAN

Cal 2 -

Mr. [redacted] furnished captioned booklet without cover letter. This booklet contains Fagan's vicious attack on the President and members of his family.

Tract Number 8 entitled "Kennedy's Death Trap For U. S. !" and booklet Number 90 captioned "The Kennedy Boys And Our Invisible Government" have previously been furnished to the Attorney General in view of the derogatory statements made in these items concerning the Kennedys. Booklet Number 90 was also furnished by Mr. [redacted] and since he has sent no cover letters, we have not acknowledged receipt of this material.

The booklet just received bears Number 91. The Director is not mentioned however, on page 2 while talking about the President it states "he placed the FBI under little brother's control, and, suddenly, this agency, which through all the years had carefully avoided any semblance of a State Police, has, on direct orders of our juvenile U. S. Attorney General, resorted to the terrifying middle-of-the-night door poundings--."

In addition, [redacted] Journal Virginian, Abingdon, Virginia, furnished the Richmond Office with a one-page leaflet bearing the legend "Kennedy Proclaimed First Communist President Of America!" This leaflet bears derogatory handprinted statements on both sides and its source is anonymous. It is believed this leaflet should also be forwarded to the Attorney General.

It is noted that previous material has also been furnished to the White House.

RECOMMENDATIONS:

REC-16 62-87267-852
11-X3

1. That attached letter be forwarded to the Attorney General enclosing a copy of this pamphlet and leaflet.

22 AUG 27 1962

2. That the original pamphlet and leaflet be furnished to the White House via Liaison.

Dear Mr. Hoover,

I have written to you before about the communist party and received a satisfying answer. I have another problem. In our church, pamphlets were passed out about Communist people acting and living in Hollywood. Some of the same names on the list have been on lists against the Communist party. I would like to know if there is any why to be sure about them. I am sending you a pamphlet the same as I have. Will you please look into it and find out if it is true, or if possibly it is being put out by the communist themselves.

Thank you,

/s/

FROM : D. C. Morrell *DM*

SUBJECT: CONGRESSMAN PAUL G. ROGERS
(DEMOCRAT-FLORIDA).

9-1

By communication dated August 16, 1962, Congressman Rogers forwarded a Cinema Educational Guild, Inc., pamphlet captioned "Kennedy's Death Trap For U. S. I" This is a vicious attack on the President and has been previously brought to the Bureau's attention. The pamphlet furnished contains the name written in ink of Mrs.

The Congressman's communication asks for a report on this organization and wants to know if it is a communist front.

We have had cordial relations with Congressman Rogers who is on the Special Correspondents' List. Mrs. cannot be identified in Bufiles.

The Cinema Educational Guild, Inc., is an alleged anticommunist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic pamphlets. One of the more notorious pamphlets concerned the movie industry and named numerous movie stars and other prominent Hollywood personalities as communists or communist sympathizers. Some of the material put out by this organization has implied access to government investigative files and, of course, the organization has not had access to any FBI files. The national director of the organization is Myron C. Fagan who has, on occasion, attempted to use the Director's name in furtherance of programs and it has been necessary on several occasions to contact him and request he refrain from mentioning the Director in any manner. We have not investigated this organization.

RECOMMENDATION:

That someone in your (Mr. DeLoach's) office contact Congressman Rogers and confidentially advise him of the nature of this organization.

Dear Mr. [Redacted]

Your letter of September 6th, with enclosures, has been received.

Although I would like to be of service, the files of the FBI are confidential pursuant to regulations of the Department of Justice and are available for official use only. You may be interested in knowing that Mr. Myron C. Fagan or representatives of the Cinema Educational Guild, Inc., definitely do not have access to the files of this Bureau. The FBI being strictly an investigative agency of the Federal Government neither makes evaluations nor draws conclusions as to the character or integrity of any organization, publication or individual. In view of this, I am sure you will understand why I cannot comment relative to the pamphlets you forwarded; therefore, I am returning them to you.

It is reassuring to know of your interest in fighting the communist menace. It is essential that our citizens become aware of the problems threatening our country's future and acknowledging the danger posed by the communist conspiracy is one great step toward protecting our national traditions. Enclosed is some literature on the general topic of communism which I trust will be of assistance in your efforts to combat this evil. Perhaps you will also wish to refer to my book, "Masters of Deceit," which was written with the hope that it will help its readers gain an insight into the true nature of communist activities. My new book, "A Study of Communism," is a comprehensive study of the development and expansion of communism throughout the world. It will be published on October 1, 1962, by Holt, Rinehart and Winston, Inc.

Dear Mr. Hoover:

I am in possession of some pamphlets put out by the
"Cinema Educational Guild, Inc.", P. O. Box 46205,
Cole Branch, Hollywood 46, Calif. One tract called,
"UN Tract No. 2 - The Truth About the UN", as revealed
by Trygvie Lie, another tract no. 8 is entitled,
"Kennedy's Death Trap for U.S." The third one is called,
UN Tract No. 1 - "U.S. Government (Top Secret) Bulletins
provide Documentary Proof that UN is Planned Death-Trap
for U.S.

I do not have answers for these pamphlets for some of my
people who are questioning me. The only thought that comes
to my mind is that perhaps the "Cinema Educational Guild"
is itself a somehow related Communist organization and
present these statements which probably are partial truths.

However, I need help from your office. Can you help me?

Dear Mr. Hoover:

We congratulate you on your fine record of devotion to the American people.

Because of the confidence in you and your office I am asking your opinion on a matter. You have found enclosed a tract titled "Red Stars" which is printed by the Cinema Educational Guild of Hollywood California. I recognize some very strong accusations and implications in this tract. I have been ask to write a few articles on this subject of Communism, but before I quote anyone I would like to know something of whom I am quoting. I would not expect you to state officially taht all of this is true or false. What I want to know is; is this a reliable source of information and is Mr. Myron C. Fagan's remarks in this tract relative true?

You are also, probably, familiar with Mr. Fagan's book "Documentations of Red Stars and Fellow Travelers in Hollywood and T. V.", mentioned in this tract. The statements in this book are very alarming.

I trust that you will give me your honest opinion of the reliability of this source of information.

Any other information you could refer me to on this subject of Communism would be appreciated.

I want to be sure we are fighting them and not being used of them to hurt other honest Americans.

Therefore, we investigated -- and found the story to be somewhat in error ... the KENNEDYS had 'rigged' the files of the Library, so as to make it appear that the book was no longer available, to wit."

"Originally, the book was on file in the 'Library of Congress -- Annex, Room 5009-A, Geneology Division.' Therefore, one would expect to find the book indexed under B in that room. But after searching through not only all the BLAUVELTS, but the HENDRICKSONS and COOPERS (other direct ancestors), and not finding it, she was about to give up the search, when she was 'tipped off' and directed to the Index Box marked 'from DR-DZ' and there she found an Index Card marked CS71.B6476...1957. 'DURIE Family and BLAUVELT Family Geneology.'"

"The clerk at the desk, when our investigator made her request for the book, was astounded -- and momentarily speechless. She finally produced the book, but would not permit it to be taken out of the room -- nor would she permit any photos or photostats of any parts of the book...obviously, she had been 'INSTRUCTED!'"

By MYRON C. FAGAN

This issue contains reprint of July 1949 "News-Bulletin," which unmasked the UWF plot . . . it also contains prima facie evidence of JFK first marriage and divorce.

No. 92

PREFACE

In our preceding issue ("News-Bulletin" No. 91), in which we published, *verbatim*, Kennedy's horrifying "Disarmament" plot, entitled "Dept. of State Publication 7277," we frequently stressed that that entire "Disarmament" plot is in all intents and purposes exactly the same as the "United World Federalists" treasonous "RESOLUTION" which we (CEG) forced rescission by the California Legislature (and 24 additional states) in March 1950. We also referred to the "News-Bulletins" we issued at that time, which alerted the people in California to demand that rescission. Since we issued "News-Bulletin" No. 91, we have been deluged with requests for those early issues. Moreover, we have received a number of letters from various parts of the nation, in which the writers simply cannot believe that Kennedy would attempt to revive a plot which already had been exposed and officially denounced as "TREASON."

Obviously, those early "News-Bulletins," particularly the one containing the official announcement of the rescission, would serve as irrefutable proof. Unfortunately, all those old issues are now out of print. Therefore, this issue and the following one will be devoted to reprints of same. This issue is a reprint of the July-August 1949 "News-Bulletin," entitled "REDS BEHIND WORLD FEDERALISM."

In addition, the final pages of this issue will contain further *prima facie* evidence of John F. Kennedy's first marriage and divorce.

FOLLOWING IS THE REPRINT

On Monday, July 27 (1949), in Sacramento, I ran headlong into a scheme that out-Machiavellis Machiavelli, and which is beyond any doubt inspired and oriented by Moscow.

This nefarious scheme is camouflaged by the phony, *but very appealing*, promise of eternal World PEACE. Hatched in the State of California, if you please, and dubbed the "California Plan," this new scheme calls for a "ONE WORLD FEDERATED GOVERNMENT," in which our United States would become merely a unit with just about as much importance and potency in the world of nations as tiny Finland has in Europe's family of nations. If that scheme goes through, *dear God forbid*, we would have to give up

our Navy and our Army, retaining just enough to "police" our territory — in exactly the same proportions as a State Police Department . . . We would have to surrender our Atom Bomb — which is the ONE most important thing they are after . . . Our Stars and Stripes would become a mere State Emblem — and an International Flag would be hoisted above it . . . and our National Anthem would be replaced by an International Anthem.

In short, we would become merely 149 million voters — a 7 percent minority — in a world body of TWO BILLION voters . . . if there would be a vote at all!!!

This super-Machiavellian scheme was concocted — and RAIL-ROADED through the California Legislature — by a gang of would-be America-Wreckers who call themselves the "UNITED WORLD FEDERALISTS." The name of the man who devised "THE CALIFORNIA PLAN" and supervised its secret passage by the California Legislature is one ALAN CRANSTON, whose personal background is studded with pro-Communist proclivities. Before I am through I will PROVE that UWF was founded and created and (*behind a facade of so-called respectable names*) is being directed by a gang of known Reds and Pinks of all hues!

SHALL WE DIE IN OUR SLEEP

I first became aware of the existence — and the vicious objective — of the UWF in February 1947, when a motley crew of so-called Americans assembled in Asheville, North Carolina, for the brazenly avowed purpose of nullifying our CONSTITUTION and outlawing our DECLARATION OF INDEPENDENCE. However, I had at that time already dedicated myself to the job of awakening America to the Red Menace in Hollywood — *which I assure you is a full time job all by itself* — and I gave the UWF only a passing thought . . . I assumed that the very audacity of their intended treason would quickly bring about their destruction by other good and alert Americans. But — *apparently* — one hundred and forty-eight million and nine hundred and ninety thousand of our 149 million Americans are still soundly asleep at the switch. This fact was brought home to me by an Editorial by E. F. Tompkins in the "Los Angeles Examiner" on Sunday, April 10, 1949, which, while it practically repeats what I have stated above is worth repeating — if only to establish that I am not alone in my appraisal of the UWF plot . . . The Editorial reads, in part, as follows:

"SHOULD WE ABANDON OUR FREEDOM?"

"Hardly observed by the vast silent majority of the American people, a spreading and seductive movement is progressing across the country to **REPEAL THE DECLARATION OF INDEPENDENCE** and **TO NULLIFY THE CONSTITUTION OF THE UNITED STATES.**

"The **UNDECLARED** objective is to be accomplished by establishing a form of one-world government based upon the existing organization of the 'United Nations.' If the enterprise succeeds, this country would be required to abrogate its national sovereignty. Eventually, we would be compelled to **MERGE OUR CITIZENSHIP WITH ALIEN AND DISTANT RACES,** who do not share our language, our customs, our principles of law, our traditions of individual liberty or our ancestral experiences in the arts of qualifications of democracy.

"Obscure in its origin, the movement was initiated some years ago by Robert Lee Humber, a lawyer of Greenville, North Carolina, who formulated a proposal, for submission to State Legislatures, to 'declare that all people of the earth should be united in a world federation.' Since the formation of the 'United Nations,' the movement has been carried further by new organizations. One of the most active groups is the '**UNITED WORLD FEDERALISTS, INC.,**' headed by Cord Meyer, Jr., which has a **GLOBAL** prospectus Another group is '**FEDERAL UNION, INC.,**' which as a beginning would recombine the United States into the obsolete British Empire. . . . Still another group would start with an '**ATLANTIC UNION**' and progressively include all of Europe, the Americas, Asia, Africa and Australasia. . . . Then there is the '**AMERICAN ASSOCIATION For the UNITED NATIONS,**' of which former Under-Secretary of State Sumner Welles is honorary President.

"Since the movement was instituted by Mr. Humber — way back yonder and down in Dixie — the Legislatures of **SEVENTEEN STATES** have been deluded into adopting formal '**RESOLUTIONS**' favoring 'limited world government!' . . . which is the basic idea. But developing this basic idea further, the UWF has devised a new 'model' **RESOLUTION** for the Legislatures **DIRECTLY SEEKING A CHANGE IN OUR FEDERAL CONSTITUTION** and calling upon Congress to summon a national constitutional convention for the purpose.

"Furthermore, the UWF has established local propoganda chapters in 600 communities and colleges; has won the support of the pretentious American Academy of Political and Social Science; and has under way a \$500,000 'expansion campaign' to 'transform the **UNITED NATIONS** into a limited world government.'

"The danger is growing imminent. The Legislatures of 36 states can compel Congress to call a constitutional convention for that purpose; and nearly half of the requisite number of states have already sanctioned, in effect, this procedure which would ultimately result in their own political extinction. . . . The old and defunct 'League of Nations' was an attempt at 'limited world government' which started in the travails of one global war and expired in the bloodshed and anarchy of another. Now the existing UNITED NATIONS, with its 200 or more commissions and councils, is developing into A SCHEME OF WORLD SOCIALISM, sustained chiefly by American tax-payers and providing notably a sheltered haven for foreign espionage and intrigue in this country.

"Experience thus proves that a 'LIMITED' system of world government must either dissolve itself in disappointing futility or else become UNLIMITED government over ALL the diverse people of the earth.

"Under such a system — the American people would no longer be permitted to write their own tariffs or immigration laws, or to regulate their own banking and currency practices, for the free movement of goods and persons across national boundaries is an essential idea of world government; international monetary controls have already been set up in the UNITED NATIONS; and Congress has already scuttled our protective tariff system and repealed the statutes prohibiting Asiatic immigration. . . . Under such a system — our natural resources, and the fruits of our productive free enterprise, could be exhaustively looted for the benefit of covetously less able and less industrious populations elsewhere. . . . Under such a system — American labor would have to compete at home and abroad with alien pauper labor and the American standard of living would vanish. . . . Under such a system — we would have to share our privileges of citizenship with the aborigines of Africa and the hordes of the Orient, and in the end be overwhelmed by their migrations

"We could maintain no national defense without the express consent of foreign powers . . . Our Flag would cease to command respect, our institutions would become degraded and an American would never again inherit the pride of our ancestors in being AN AMERICAN! I!"

(NOTE:—Mr. Tompkins made that prediction in April 1949 in his appraisal of the UWF treasonous RESOLUTION—NOW read Kennedy's "DISARMAMENT" plot in News-Bulletins Nos. 90 and 91. . . . what the UWF failed to achieve Kennedy is determined to accomplish! MCE.)

I SEE RED!

After reading the Tompkins startling, disquieting article, I promptly began to dig deeper into the background of the "United World Federalists, Inc.," — especially as to its founders. I never accept these organizations at face value, because when the RED hue of a Founder or an Officer is exposed that individual promptly disappears from their letterheads and literature and is replaced by a "respectable" name. I will cite a very recent example of that technique:

In our April-May (1949) "News-Bulletin" we exposed that both Dr. J. Eugene Harley and Mary J. Workman, President and Secretary, respectively, of the Los Angeles Chapter of the "American Association for the United Nations" are notorious REDS. An "election" was promptly arranged and both Harley and Miss Workman were "replaced" by individuals who, on their "face," are not suspect to the unwary citizen. Hence, the face value of an organization means nothing to me. . . . I've heard skunks called wood-pussies, but I've noticed that both smell the same.

BACKGROUND OF UWF

The ill-omened birth of the UWF occurred in Asheville, North Carolina, on February 21, 1947. On that day all the groups in America that were organized to clamor for "world federalism" assembled in that city. This conference was called the "First National Congress of World Government Organization," the purpose being to merge all of them into one over-all organization. There were sixteen such groups under various names. Five of them were merged into one major organization, now known as: "UNITED WORLD FEDERALISTS" — and their announced objective is: "World Government with Limited Powers Adequate to Prevent War." . . . SO THEY SAY !!!

In addition to the merger of the five groups, the general session of the convention coordinated the platform and interlocked the activities of all the world government organizations in America so that all would drive at the same objective from different directions.

The Executive Council of this newly organized over-all organization, (UWF), thirty in number, was elected at that Asheville conference. This Executive Council was empowered to elect officers, select an Advisory Board, appoint Honorary Directors, etc., etc. . . . Chet Huntley, then a CBS News-Analyst in Los Angeles, was appointed Director of Radio!

FORTY-TWO REDS ORGANIZED UWF

To remove even an infinitesimal doubt that the UWF is Communist inspired in its very inception, I will name the REDS who gathered in Asheville on that day to organize this *new approach to unwary Americans into surrendering to this obvious Communist plot*. There were over 300 "delegates" present, but I will name only the most notorious ones — we won't waste space on the *small fry*. All of these names have been — *most of them still are* — affiliated with UWF as Organizers, Sponsors and/or Directors:

Stringfellow Barr, Chas. G. Bolte, James B. Carey, Albert Einstein, Serge Koussevitsky, Vito Marcantonio, Jerry Voorhis, James P. Warburg, Byrl A. Whitney, Cass Canfield, Norman Cousins, Norman Corwin, Raymond Swing, Carl Van Doren, Mark Van Doren, Clifton Fadiman, Robert Sherwood, Sholem Asch, William Rose Benet, EMANUEL CELLER, Waldo Frank, Robert Lee Humber, Thomas Mann, Lewis Mumford, Robert St. John, Prof. Harlow Shapley, Senator Glen H. Taylor, Walter Wanger, A. Phillip Randolph, Culbert L. Olsen, Van Wyck Brooks, Mary Ware Dennet, Upton Sinclair, Rex Stout, Rex Tugwell, Rev. David DeSola Pool, George S. Kaufman, Varian Fry, Bishop G. Ashton Oldham, Elmer Rice, Frederick L. Schuman, etc., etc.

Each of the above named has been an Organizer, Sponsor, Director and active worker in at least 5 to 50 other FLAMING RED FRONT ORGANIZATIONS — name ANY Red Front and you will find most of them in its Directorate . . . and these are the individuals who used the word PEACE to organize the UWF !!!

It would be very illuminating if the FBI could be prevailed upon to show from their files how many of these UWF organizers are also secret members of the Communist Party!

THE TECHNIQUE OF THE REDS

At this point, a comparison of the methods or operations decided upon by the UWF with the Moscow official techniques becomes very significant!

NOTE:—Even in those early years I had become aware of the "COUNCIL ON FOREIGN RELATIONS," but I had not done an research of its true background and objectives. Thus I was only vaguely aware that the UWF and other "organizations" of that ilk were CFR FRONTS, and I

was "crediting" all such treason to Moscow. Of course, we now know that every such act is an integral feature of the over-all INTERNATIONALISTS-COMMUNIST ONE-WORLD CONSPIRACY. MCF.)

We cannot do better than cite the structure of the "American Association for the United Nations" as a pattern.

"Local Chapters are to be set up under the jurisdiction of City and State branches wherever possible, otherwise directly under the National Central Headquarters. Provision is to be made for Members-at-Large in communities where there are no organized Chapters. Each Chapter is to develop and train speakers and make them available for Women's Clubs, College and University Fraternities and Sororities, PTA groups, Men's Service Clubs, etc. All Chapters are to organize "Study Groups" within, and whenever possible, under the sponsorship of these various Clubs and Organizations. The Speakers are to arrange special study meetings in their homes, and/or in the homes of influential Social and Civic leaders."

Now let's examine the UWF's Bag of Tricks — as taken *verbatim* from their Charter and By-Laws.

TECHNIQUE OF THE UWF

"Local Chapters are to be set up under the jurisdiction of State Branches, wherever possible, otherwise directly under the corporation itself. Provision is made for members-at-large in communities where there are no organized chapters. The governing body of the United World Federalists is to be the General Assembly; a representative assembly of all members is to meet at least once each year. In between meetings of the Assembly, the corporation is to be governed by the Executive Council.

"Each chapter is to create and train a corps of effective speakers and make them available to Women's Clubs, Church organizations, University, College and High School Clubs and Societies, Men's groups, Parent-Teacher groups, etc. Special efforts to be directed at all Church groups, stressing the word Peace as our motive. Wherever possible, induce Ministers to lend their names to chapter boards."

(Note:—In other words, their theory is that if they succeed in deluding and hypnotizing your pastor, he, in turn, will anesthetize you and all the members of his congregation.)

"All chapters are to create Study Groups within the various Church and Civic organizations, and, wherever possible, under the sponsorships of the Churches and the various Organizations. In addition, the speakers are

to hold home meetings in their own homes, or the homes of Community leaders.

Close examination of the structures of "The League of Women Shoppers," "the American League for Peace and Democracy," "The American Peace Crusade," "American Peace Mobilization," "American Youth Congress" — all blazing Red Fronts, discloses a startlingly striking similarity . . . ditto the "Christian and Jewish Brotherhood" hood.

"GIVE ME THE YOUTH OF A NATION" . . . Stalin!

The UWF further decided that *student* chapters are to be organized and are to have the status of local chapters, to be under the immediate direction of a National Student Council — *but, the Executive Council would make all decisions in the student field and control all student chapter activities.* In other words, the National Student Council is the taskmaster set up *by the Reds behind the Executive Council . . . the Student Chapters are the stooges — and the student members just so many "knuckle-headed" pigeons.* This Student Council consists of 35 members — 10 from Colleges; 6 from High Schools; 4 from *preparatory schools*, and 15 unspecified. Bearing in mind Stalin's orders to *"capture the Youth of the Nation,"* it will not be surprising to find some of those "unspecified" 15 assigned to the Kindergartens — and nurseries . . . No Red Front organization, with the possible exception of Gene Kelly's "Youth Section of the Communist Progressive Party of America," is making as determined an effort to capture "Young America" as the UWF . . . *and they are meeting with great success !!!*

THE PLOT

A statement of policy was drafted at the Asheville Convention. Boiled down, it declared for a One-World Government with so-called "*limited powers adequate to prevent war,*" expressing the theory that "PEACE" is not merely the absence of war, but the presence of justice, law and order; that world peace can be created and maintained only under *world law* sufficiently strong to prevent armed conflict between nations; that, while endorsing the efforts of the "*United Nations*" to bring about a world community favorable to peace, the UWF will work to *transform the UN into a One-World Government.*

Thus, the UWF brazenly declares itself an anti-Nationalist organization — and, in particular, *anti-United States Nationalist*. It would surrender our Armed Forces and our Sovereignty to the UN. *This was actually acknowledged by an OFFICIAL of the UWF at the hearing before the Senate Judiciary Committee in Sacramento on June 27!*

Their "policy" further states: "This Federal (UN) World Government (in which we would be a 149 million voice against TWO BILLION!) will make laws relating to natural resources; international trade; transportation; currency and many similar matters. For it is quarrels between nations about these bread-and-butter questions which will go on causing wars forever, unless you and all other world citizens give a law-making body higher than any national government the power to settle them."

To give you a clear idea of what kind of power they intend to achieve, I will quote from a book entitled "PEACE OR ANARCHY," authored by Cord Meyer, Jr., President and Co-Founder of the UWF. After he outlines how the UWF will *disarm* and transform the United States into a province within their Federated World Government, *under complete control of that government*, he states on page 171 of that book, that "once having joined the One-World Federated Government no nation could secede OR REVOLT. . . . because with the Atom Bomb in its possession the Federal Government police would blow that nation off the face of the earth!"

This is a statement IN PRINT by the man who is using the word PEACE to induce us to give up our Sovereignty, our Freedom, our Army, our Navy—AND OUR ATOM BOMB and in the same breath he, *the official voice of UWF*, bluntly informs us that if we fall for their scheme *and then discover our mistake* we could never secede — and if we would try to revolt we would be blown off the face of the earth *by our own surrendered Atom Bomb!*

—————●—————
Note:—Now read Kennedy's present "DISARMAMENT" plot in "News-Bulletin No. 91 — and see for yourself how it parallels the UWF's "RESOLUTION" plot in 1949. MCF.

—————●—————
THEY SEDUCE CALIFORNIA LEGISLATURE
—————●—————

On March 24, 1949, a "RESOLUTION" prepared by the UWF, known as "Resolution 26", was passed UNANIMOUSLY by the California Assembly — and, *after strenuous opposition*, was approv-

ed by the Senate 23 to 9. Only one word can describe the method employed to get that "RESOLUTION" passed — that word is: "RAILROADED! The UWFers themselves acknowledged that fact with gleeful chortles and statements that "Resolución 26" was rushed through the California Legislature before anybody knew "what it was all about" But that was a slight exaggeration. What they should have said was: "Before anybody outside of the California Legislature knew what it was all about."

Now to describe the method they employed to railroad "RESOLUTION 26" through the Legislature: Under the supervision of Alan Cranston, the UWF's "BIG WHEEL" in Northern California, they canvassed all the members of the Legislature. The answer was *unanimously* an emphatic NO! The dismayed Cranston scurried to Paul Smith, Editor of the San Francisco Chronicle, and laid his problem before him. Smith hied himself to Sacramento for "a few words" with one Artie Samish.

CZAR OF CALIFORNIA

Artie Samish is a behemoth of a man. Outwardly exuding great good nature, his hugely fat body shakes like a vat of jello when he laughs. Artie is a professional Lobbyist, but the mere word "Lobbyist" in the case of Artie is as great an understatement as saying that Toscanini is an orchestra leader. Artie is the Master of the Master-Lobbyists. Artie openly boasts that he can *pass* a Bill or a Resolution, or KILL it, before you can say abracadabra — and THAT is no understatement. He has publicly boasted that he "carries the California Legislature around in his small change pocket." Artie's pet "client" is the Liquor Industry — and his "slush fund" from that "client" is *positively* without limit. He also Lobbies for Bus Companies, Oil Companies, the Motion Picture industry, Race Tracks — and for anybody who can pay \$25,000.00 — but no less than \$25,000.00 — to a million . . . he also is the ANTI-DEFAMATION LEAGUE's official "Hatchet-Man" in Sacramento. His power in Sacramento is far greater than the power of any Governor in the past decades, and has been so acknowledged by Governor Warren — but it is best exemplified by a statement made by Artie himself: "To hell with the Governor of California, I'm the Governor of the Legislature!" This is the man Paul Smith turned to when Cranston informed him that the UWF RESOLUTION had been pronounced "a dead duck" by every Legislator he had buttonholed.

"Artie," said Smith, "I need a favor. I've got a little Resolution I want put through, but the boys are playing hard to get — can you help me out?"

"What's the little Resolution, baby?" . . . "Baby" is Artie's pet name for those he likes.

"It's to support a World Federated Government," replied Smith. "What's a World Federated Government?" asked the puzzled Great of California.

"Here," Smith proffered a copy, "read it and you'll know."

"Never mind," hastily assured Artie, eyeing the document warily — Smith uses big words and Artie's education has been a limited one, not much beyond kindergarten. "If you want it passed, baby, it'll be passed — but it'll take some *do re mi*."

Smith assured him that he'd get all the "*do re mi*" he'd need — and on March 24 it was passed UNANIMOUSLY by the Assembly — many of whose members had previously shied away from it with holy horror! ! !

By March 31 a few members of the Senate became aware of the heinous intent of "RESOLUTION 26" and put up a strenuous opposition, but with Samish cracking the whip, it was approved by the Senate 23 to 9.

Gravely alarmed, the 9 who voted against the "Resolution" took steps toward reconsidering it. That was brought up on April 6 — and was defeated 22 to 13. Thereupon a new RESOLUTION, known as RESOLUTION 36, was introduced by Senator Hugh Donnelly to rescind RESOLUTION 26 — and was defeated!

In a confidential Special Bulletin to their members, the UWF gloatingly described the blackjacking methods they employed to defeat RESOLUTION 36. Lack of space in this issue prevents a detailed analysis of their methods — it will be given special attention in our next issue . . . but in their boasting they reveal how closely they hew to the Moscow-directed Commie techniques. Their description of one particular method they employed to "pressure" wavering Legislators into supporting their treason-packed "RESOLUTION" is definitely criminal under our laws and may prove to be the very boomerang that will alert the entire nation. Action is now being taken to bring that out into the open before our next issue goes to press!

THE VALIANT!

When the fight against Communism in America is finally won, and the valiant ones who made the victory possible will be count-

and the name of Jack P. Tenney will ride high on the list.

Armed with a vast knowledge of Red objectives and Red methods, Senator Jack P. Tenney, meeting at a midnight of during 1949, prepared several anti-Communist Bills which Red was then, in fact, not only in the hands of the Communist Party of California, but also in the hands of the Communist Party of the United States. — **ALVIN KELLERWOOD** — and the effectiveness of an Atom Bomb — and made the State of California the symbol for all America. By the same token, there would have been no UWF "Resolution 26" when first submitted, early in 1949, the Senate passed all these Bills unanimously and practically all the Assemblymen assured Tenney that they would vote for those Bills. Well, then Tenney went to Honolulu, so he wasn't in Sacramento when the Federalists railroaded their "Resolution 26" through both Houses. But when Senator Donnelly and his Co-Americans launched their fight against that "give away America" Resolution Tenney promptly jumped in with them. When he did that he signed a personal political death warrant with every one of those "give away America" Senators and Assemblymen — and, of course, with Artie Samish! When his anti-Communist Bills came before the Assembly sixty-seven out of the total eighty who had promised an "aye" vote voted against them! At the same time the cry went up "Get Tenney! !!" "Drive Tenney out of politics! !!"

LEADERS OF THE PACK

The leaders in the attack on Tenney in the upper house were: Senators Gerald J. O'Gara, George Miller, Jr., H. E. Dillinger, and Harry E. Drobish. In the Assembly, Sam Collins, Speaker, took the lead, with John B. Cooke, Ernest R. Geddes, George Collins, Jr., Lester A. McMillan, and Thomas A. Maloney, sponsor of "Resolution 26," promptly swinging into line behind him. *But the real knifer-in-the-back was Sam Yorty!* The chief reason they gave for their gang-up on Tenney was that he had used the funds allotted to the Committee to "build himself" up with the public. This was proved false very quickly. The second given reason was that Tenney had committed rank heresy by exposing a Red taint in several of his colleagues. Well, now, let's analyze the latter reason — and go beyond it.

IN THE SPIRIT OF JUDAS!

Brutus achieved his particular ill-fame when he stabbed the

mortally wounded Caesar in the back of his neck. Caesar had been his great friend and patron. Well, right in our own Sacramento we have a Brutus or two — plus a Judas! Assemblyman Sam Yorty had been a very close friend and political associate of Jack B. Tenney. When the Tenney Bills came through the Senate with flying colors, Yorty told Tenney that it would give him great happiness to sponsor those Bills in the Assembly. Came the day before those Bills were to be submitted. In the interim the Sacramento wolves had howled their howl of "get Tenney" and Yorty solicitously advised Tenney to choose somebody else to sponsor his Bills — *on the theory that it would be political strategy to have someone not identified as a close buddy do the sponsoring!* That, earnestly, assured Yorty, would give him greater freedom in doing *the more important job* of all-out support on the floor. Harold K. Levering took over the sponsorship — *and he did a great job!* Then came Yorty's "once-in-a-lifetime" opportunity. I will describe it in the words of one of the Reporters present at this historic session: "Sam Yorty, Tenney's friend, whipped out his trusty blade—and sank it deep into Tenney's back!"

Now, knowing what is at stake, why did this Sammy Yorty stab Tenney in the back? — *actually, however, he sank his dagger into the collective back of his constituents!* !!! What was his objective? . . . What was his gain?

Mussolini stabbed dying France in the back to achieve an empire . . . Brutus stabbed dying Caesar in the neck in the hope that he would inherit Caesar's power . . . Judas betrayed Christ for thirty pieces of silver. Yorty stabbed Tenney—AND AMERICA—in the back . . . FOR WHAT? . . . and FOR WHOM? *That is something for his AMERICAN constituents to find out.*

(Note:—We all know the story behind Kennedy's firing of Gen. Edwin Walker. Shorn of all phony reasons, Walker was fired because he had banned the "Over-Seas Weekly," more commonly known as the "Over-Sex Weekly," from circulation in U. S. Military installations in West Germany. He banned it after it was established that this pornographic sheet was pro-Communist and was deliberately undermining the morale of the American soldiers — also after it was established that key officials and reporters of the sheet had pro-Communists affiliations. Shortly after Gen. Walker was fired, the Pentagon ordered the ban lifted — it did so after Sam Yorty, at that time a Congressman, applied some kind of mysterious pressures. Why did he do that? I presume, for the same reasons that he knifed Tenney in the back —

and **KILLED HIS ANTI-COMMUNIST BILLS IN 1949** . . . Today Sam Tenney is Mayor of Los Angeles — the voters in Los Angeles should know all that. (MS)

BY THEIR DEEDS SHALL THEY BE KNOWN

Another gentleman who plunged his blade deep into the collective back of his AMERICAN constituents — and of his State and of his Country — is Assemblyman Sam Collins. Collins is Speaker of the House. He fancies himself a very important BIG FISH in his little pond. He would resent being told that he is disloyal to the land he lives in — but, then, so did Frederic March and Eddie Robinson scream when they were exposed. I won't say that Collins is a Communist or a Fellow Traveler . . . I don't know. I can only judge him by his deeds . . . and by his deeds he has convicted himself of at least giving plenty of comfort to the REDS. All his attacks on and smears of Tenney were motivated by one overwhelming desire: to abolish the California Un-American Investigating Committee. The Reds of Hollywood organized "The Committee for the First Amendment" for that very identical objective! To my distinct knowledge, Sam Collins, and his particular pals in the Assembly, have for years fought tooth and toenail to abolish the "California Un-American Investigating Committee." He . . . and his pals . . . couldn't very well dare protest against the objectives and the purposes for which the Committee was set up, so they invoked phony charges and a smear campaign against the man who headed the Committee — obviously in the hope that by destroying the head they would destroy the body. And they were grandly supported in their attack by the Communist "DAILY PEOPLE'S WORLD." By that very token, Sam Collins . . . and his pals . . . have for years been violently opposing the investigation of Communism in the State of California — and thus AIDING the Communist Conspiracy! This is amply corroborated in that previously mentioned Communist sheet, "Daily People's World," which burst forth on Monday, March 31, 1947, with the following blazing front page headline:

"GOP LEADER REFUSES FUNDS FOR TENNEY

"By Doug Ward

"Daily People's World Political Editor

"Sacramento, March 30—Opposition to Senator Jack B. Tenney's State Un-American Committee hit a new high in the legislature today, when Sam

...and the California Legislature should not be held responsible for the use of the funds for the Committee.

The story goes on in typical Communist style, accusing Senator Tenney of having used the funds of the Committee to "build himself up politically by smearing or threatening all those who stood in the way of his ambitions."

Two weeks later, on April 12, 1947, this same Red sheet came out with another blazing headline:

"TOP LEADER 'NO FUNDS FOR TENNEY'"

SACRAMENTO, April 11. — Another influential Republican legislator today joined the ranks of those who will oppose any appropriation for the Tenney State Un-American Committee. Assemblyman Ernest R. Geddes (R. Politics) said he was in agreement with Republican Speaker of the Assembly Sam Collins that the Committee should not be given "one red cent."

As in the previous article, "People's Daily World" quotes Geddes along exactly the same line as they had quoted Collins. In both cases the same motive stood out like a beacon: "abolish the California State Un-American Committee."

It may be just a co-incidence, but those two stories in the "Daily People's World" remind me of the high praise Al Capone used to accord certain political figures in Illinois — who were on his secret payroll.

On that same front page of the "Daily People's World" — right alongside the eulogy accorded Sam Collins for his vituperation of the Tenney Committee — we find a huge four-column headline gloriously praising Communist Eugene Dennis for denouncing our Congressional Un-American Investigating Committee. Is that just another coincidence? . . . or is there something significant in the fact that these two articles are twin in their support of Communism?

That was early in 1947. Collins . . . and his pals . . . were unable to destroy Tenney and/or the Committee at that time. But they did not give up. They bided their time — for an opportunity which would enable them to line up overwhelming odds. That came with "Abolition 26" in March 1949. Few people knew very much about the UWF. Nobody had gone to the trouble of investigating and exposing the fact that a (UWF) had been founded, created and organized by a gang of the most notorious and crafty Reds in America. Employing their Red techniques, they railroaded their vituperative "Abolition 26" through the California Legislature and — as our everlastig shame — brazenly announced it to the world as

the "California Plan." Then, as previously stated, Senator Donnelly and a pitifully few other wide-awake Americans set up "Resolution 36" to rescind the give-away America "Resolution 26." Jack B. Tenney roared in to their support. Ah'h! !!! That was the opportunity Collins, Geddes and Yorty had been waiting for! And this time they had the UWF-Samish "captive" Assembly and Senate ready to say "Uncle" — and roll over on command.

As previously said, the American people didn't know that that "Resolution 26" was treason-packed. *But Sam Collins knew . . . Sam Yorty knew . . . all those other Assemblymen and Senators, who fought against rescinding "Resolution 26," knew* — and before I am through I will *prove* that they knew. I will prove that every individual in the California Legislature who voted *against* rescinding "Resolution 26" was guilty of an act that would have meant death without a trial behind the Iron Curtain.

Anyway, *that* was the opportunity Collins and his particular henchmen had been waiting for . . . "Resolution 26" would enable them to kill two birds with one stone: Tenney, the fighter against the "Give-Away America" conspiracy — Tenney, the exposé of Reds and their activities in California. They used that act of treason ("Resolution 26") as their springboard for an all-out attack on Tenney. *Once again they demanded that the Tenney Committee be abolished!* And — *again* — they charged that Tenney had misused Committee funds for personal objectives. *This time* they made the *specific charge* that Tenney had subsidized — *with Committee funds* — a News-letter publication called "Alert," and its Editor, Ed Gibbon, to smear those Assemblymen and Senators who opposed his (Tenney's) political ambitions.

That charge was an utter and complete lie. Those who made the charge knew it was a deliberate lie. Its only purpose was to confuse the public. That lie was the "Iron Curtain" behind which they could scheme and plot and conspire how to kill . . . *not only Tenney — but the California Un-American Investigating Committee* — or at least, make it innocuous.

On Tenney's insistence a Committee was appointed to investigate that charge. *It was quickly proved false* — AND SO ANNOUNCED IN THE PRESS! ! But the two Sammys *and their co-workers* shrewdly continued to use that treason-loaded "Resolution 26" as their bludgeon to KILL THE ANTI-COMMUNIST BILLS — *and prevent the rescinding of Resolution 26. And they succeeded! !*

And now I will again show who wanted those anti-Red Bills killed—by a direct quote from the official mouthpiece of the Communist Party — the "Daily People's World":

" 'WORLD' LAUDED FOR ROLE IN DEFEATING TENNEY BILLS."

"Los Angeles, July 6, 1949 — The Daily People's World was praised today for its 'excellent coverage' of the campaign which aided in dumping the Tenney bills in the state legislature The praise came in the final report of the Emergency Coordinating Committee to Defeat the Tenney Bills, and was drafted by Philip M. Connelly . . . Connelly directed the campaign for the Committee . . . The report was approved by the Committee's steering committee, consisting of Robert W. Kenney, Daniel G. Marshall, Hugh Macbeth, Sr., Ignacio Lopez, Averil Berman, William B. Elconin and Paul Major . . . After outlining activities of the Committee, which included placing ads in various papers, the report said.

" 'Aside from excellent coverage given by the Daily People's World, both to the Los Angeles campaign and to information out of Sacramento . . . the Press was of little assistance in promoting the campaign.

" The Tenney Bills went down the legislative drain pipe mainly because enough assemblymen were inundated with telephone calls, telegrams and letters to the point where they were convinced that a vote for the Tenney program would be an emphatically unhealthy act — politically, that is.

"The report noted that the Committee didn't worry too much about delegations to Sacramento, or appearance at legislative hearings on the Bills, but instead urged the people to utilize their time, energies and money in mobilizing the 'voice from home.'"

The UWF employed identically the same Commie method of the "voice from home" to make the members of the Legislature "sit up and say 'Uncle.'" That method will be exposed in detail in our September issue — and it will show a criminal exploitation of the *United States Mail* !!

Does that show whom Collins, Yorty, O'Gara and all those others were working for?

Friends, if we, the people of the State of California, allow those men to go back into our Legislature in 1950 we will have no one but ourselves to blame if we finally find ourselves and our children in Communist Prison-Labor Camps — or worse! Those men must never be re-elected! We must see to that! The Reds admit they succeeded only because we were asleep. The UWF gleefully chortled that *they* succeeded because we were asleep. But finally we are awake! Anything they can do we can do . . . anything they can achieve we can achieve! We are going to get those anti-Red Bills passed and enacted into laws — and we are going to get "Resolution 28" rescinded!

On Friday, June 17, Tenney called me on the phone: "Mr. Fagan," said he, "*we need help. The Reds have ganged up in Sacramento to kill all the anti-Communist Bills and to prevent the rescinding of Resolution 26.*"

Within eight hours we (CEG) sent out *two thousand* telegrams and letters by air-mail and special-delivery to our members here and in the San Francisco-Oakland area, in which we gave them a clear and concise picture of the entire situation, and urged them to *wire* and *telephone* their Assemblymen and State Senators and demand their support of the anti-Red Bills and "Resolution 36" to rescind "Resolution 26." And all our members fully carried out our request—thousands of telegrams and special delivery letters poured in to Sacramento during the next three days. So, if your Senator or Assemblyman will tell you that he did not know the importance of the Tenney Bills, or the significance of "Resolution 26," you can tell him he lies. As further proof that each and every one of them *knew* all the facts *in advance*, I will cite, in part, two statements made in the Assembly Room by Assemblyman Don Levering and in the Senate Chamber by State Senator Donnelly.

Mr. Levering was speaking on behalf of the Tenney Bills; after Sammy Yorty had *decreed their death* by sending them to the Rule's Committee — Yorty's Press-quoted words were: "*I am sending them to the Rules Committee to be killed . . . without a further hearing.*" Sam Yorty should have paraphrased Marc Antony with "*Friends, Fellow-Americans, Countrymen, I am here today not to praise anti-Communism but to bury it.*" At least, it would have sounded less hypocritical!

Yorty smashed to smithereens all Assembly rules of procedure with that act. In an eloquent plea, Levering made that all very clear on that day especially in his concluding statement:

In conclusion, he said; "*Let me point out that the name of every member of the House is under a shadow because of our failure to stand up and be counted on this subject. We are being called traitors and cowards because of the honest mistake we have made. You can, and should, correct this mistake by withdrawing these bills from the Rules Committee and placing them before this House for further consideration.*"

Despite that plea the Tenney Bills remained killed! ! !

Now, as to "Resolution 26": On March 24, the Assembly . . . *whipped into line by Artie Samish* . . . passed it unanimously 68 to 0. On March 31 it came up before the Senate. As proof that every individual in the Senate Chamber was made fully aware of the treason in that Resolution *on that day* I quote — in part —

from Senator Donnelly's plea for its defeat:

"This resolution would apply to the California delegation in Washington to ratify United States entry into a world government that would take away United States' sovereignty and permit a world army to exist stronger than the army of the United States. This resolution would take away from the United States its sovereign right to maintain an army, navy or air force. . . . How do we know that the power we entrust to this world court (Federal World Government) will not be used against us? . . . There are worse things than war. Slavery is worse. We are speaking for the people of California. I urge you to turn this resolution down."

Despite this eloquent plea — *and knowing what this treason-loaded "Resolution" meant* — the vote was 23 FOR the "RESOLUTION" to give our Country away, 9 AGAINST it. Following are the 9 gallant and true Americans: Senators Abshire, Crittenden, Desmond, Donnelly, Hatfield, Hulse, Mayo, Rich and Sutton.

Following are the 23 Weasel Americans who favor giving up our Sovereignty, our Flag and our Country: Senators Breed, Brown, Hugh Burns, Busch, Coombs, Cunningham, Dillinger, Dorbish, Gibson, Johnson, Judah, Keating, Miller, O'Gara, Parkman, Powers, Regan, Salsman, Swing, Ward, Watson, Weybret and Williams.

On April 6 there was another debate in the Senate to reconsider "Resolution 26," at which time Senator Donnelly again appealed to the patriotism of his Colleagues:

"I'm not foolish enough to believe the legislature in Sacramento can give up our sovereignty. . . . But Article 5 of the Constitution of the United States gives us the power to call a constitutional convention. Do you know that the purpose here is to call a convention to give up our sovereignty?"

He then *emphasized* the fact that this movement to *surrender* all our rights and powers is *Moscow inspired and directed!*

"I can remember the time when nobody would have dared to offer a resolution of this kind. . . . The reason our foes would have us give up our sovereign powers is — we've got the Atom Bomb. I'm glad we have it. It would be better a thousand times that the bomb destroy the world than that we be bound in chains by giving up our liberty and our sovereignty. . . . If we give up our sovereignty, we give up our right to defend ourselves. Already the Communists control not only all the land and peoples behind the Iron Curtain, but almost control France, Italy and many other nations. Would you favor turning over our sovereignty to them? . . . You will say this resolution merely calls for a convention. I'm fearful if you start here, you'll end by giving up our sovereignty to other nations!"

On this occasion Senators Brown, Hugh M. Burns, Dilworth,

Jespersion and Williams joined the original gallant 9. But 22 of our other *great* American State Senators again voted to give our Country away.

Note:—In order to reserve space for our further prima facie evidence of JFK's first marriage and divorce, we will conclude the re-print of the 1949 "News-Bulletin" in our next issue.

MORE ABOUT JFK'S FIRST MARRIAGE

Publication in our "News-Bulletin No. 90" of the item in "The Blauvelt Family Geneology," which revealed John F. Kennedy's (first) marriage to Durie (Kerr) Malcolm, apparently hit the entire nation like a typhoon. From all parts of the country a wide variety of reactions have constantly been pouring in on us. Many persons, while expressing amazement, accept the revelation without question — only asking for dates and places of the marriage and the divorce; others express doubts due to the lack of dates and places; some refuse to believe the entire story — the more naive ones even insisting that the "Geneology" was written after Kennedy was elected, merely to "smear" him. That latter contention is, of course, stupid: Louis Blauvelt, the author of record, spent 30 years on his research and compilation. He began in 1926 and completed the job in 1956. It was registered and copyrighted in 1957, and bears the U. S. Library of Congress Catalog No. 56-10936. All that was long before John F. Kennedy was even remotely a candidate for the Presidency of the United States.

As further concrete evidence that there was no ulterior motive for that item, one of Louis Blauvelt's collaborators recalls that Durie's background was compiled in 1943, at which time young Kennedy had no distinctions of his own, that was why he was "identified" merely as a son of Joseph P. Kennedy, U. S. Ambassador to Great Britain . . . and now for even more concrete confirmation of the marriage:

We received a number of letters from old friends of the Kennedy family in Massachusetts and Cape God. Several of the letters distinctly verified the marriage, all of them stating that it made Rose (Jack's mother) very unhappy. However, she (Rose) looked upon the marriage as just "one of Jack's youthful escapades," which she was sure "wouldn't last long" — and it didn't.

from Illinois (the Chicago area), where Durie was born and lived through her teen years, adds more confirmation. It was there that she married her first husband, F. John Bernbach, then President of the Mass Engineering Company. That marriage was a very brief one -- from April 1937 to July 1938. Several months later, on January 2, 1939, she married Frank DeLoach IV, a St. Louis resident. That marriage was dissolved the year after -- January 1940. There is some confusion about the date of this divorce -- some say it was January 24, 1942, but it has been fully established that the year was 1940. Moreover, Durie was back in her Chicago haunts -- alone -- in February 1940. As added proof in conversation with a close friend (John Bernbach, Durie's first husband, now living in Winnetka, Illinois, expressed full knowledge of her marriage with Kennedy -- but could not recall the actual dates of the marriage or of the divorce.

Even more interesting -- and confirming -- are statements made by various of Durie's intimate friends of those years. Pieced together, are the following story:

Durie was born and grew to young womanhood in Lake Forest, Illinois, a Chicago suburb. She worked as a waitress in the Ambassador West Hotel, also in the Drake Hotel, both in Chicago, where she found opportunities to mingle with the Cafe Society and the playboys of the Windy City. She "went out big" with the playboys and quickly became a well-known figure at all the Chicago gay night spots. Durie was a very ambitious gal -- it was no secret that she was after "big game." Whether she decided that her first two husbands weren't "big" enough, or broke with them for other reasons is not important. When she married Jack Kennedy, he was just an inconsequential 23 year-old wild-irish playboy, but he was a son of the fabulously wealthy Joe Kennedy, owner of the Chicago Merchandise Mart. That made him "big game." The date of the marriage is vague. Some say it was March 1940, some say it was a later month in that year, but most concur that the knot was tied by a Justice of the Peace. After the break-up with Kennedy, Durie married Tom Shevlin, her present husband, and moved to Long Island, N. Y. . . . we will skip the next few years.

As we know, Joe Kennedy's chief driving ambition was to transform the Presidency of the United States into a Kennedy dynasty. He had centered all his hopes for that objective on Joe, Jr. But young Joe was killed in the early years of World War II. That placed Jack next in line. It was 1946 before he (Jack) took his first step toward the White House; via the House of Representatives. Then came the Senate. And that was when his "youthful escapades" with Durie became a grave problem. It was a foregone

conclusion that if that ever came out it would spell FINIS for all of the Kennedy political ambitions. Once Catholics would know that Jack Kennedy is NOT the good Catholic he pretends to be, *that he pulled the wool over the eyes of his Church*, the entire Catholic community would vote for anyone who was running against him. *Yes, sir, that "youthful escapade" had to be erased.* True, quite a few Chicagoans knew about it, but by the time Jack was a candidate for the Senate it was a pretty much forgotten incident. The one great danger was Durie: if she *"talked"* the fat would be in the fire. They had to find a way to keep her silent . . . *the "way" was found.*

One bright and sunny day West Palm Beach cafe society acquired three new members: Tom and Durie Shevlin and Durie's daughter. And where do you think the Shevlins made their home? In a lovely house right on Joe Kennedy's opulent estate . . . indeed, cheek-by-jowl with Kennedy's own lush mansion.

Now, all that happened before the "Blauvelt Family Genealogy" came off the press early in 1957. At \$40.00 per copy, this thousand-plus page book was hardly a candidate for the "best-seller" lists. Actually, it (*ostensibly*) had no interest for anybody other than a Blauvelt descendant. Thus the Kennedys didn't even know of its existence — until they heard the vague rumor that it contained an item revealing his marriage to Durie. And that rumor didn't really begin to gain ground until after Kennedy won the nomination. The dismayed Kennedys promptly went into frantic action. They canvassed every important book store in the nation — *such as would carry a \$40.00 book of this type* — and bought every copy they could locate. All records and documents of the marriage and the divorce they were able to locate were destroyed. The compilers of the book were silenced. Ditto the publishers. Nobody was permitted to bring up the question at any of the Kennedy press conferences. According to Congressman H. R. Gross: *"Richard Nixon knew of this divorce before the campaign, but refused to use it."* Other Congressmen made similar statements. Then it became rumored that some newspapers and other publications, including the *"Saturday Evening Post"* were about to publish the story. None of the Kennedys issued any statements, but Pete Salinger, the White House press agent, did. First of all, he warned:

"This is for guidance, but not for publication. The listing of Durie Malcolm's husbands is in incorrect order."

He concluded his warning with an arrogant and angry threat that *he* would promptly enter a million dollar suit against any publication that would print even one word about the story . . .

How stupid can Salinger be? Even amateur-lawyer Bobby Kennedy can tell him that only the principals, either JFK or Durie, could file a suit.

Then came their next step: Even if all the copies of the "*Blauvelt Family Geneology*" were destroyed, the file copy in the Library of Congress was bound (by law) to be available for anyone who would want to see the item. Well, according to one publication, on or about May 22 of this year, Bobby Kennedy ordered FBI agents to the Library of Congress with instructions to remove that copy from its files. That would have been a criminal act, whether committed by the order of the U. S. Attorney General or even the President. Therefore, we investigated — and found the story to be somewhat in error . . . the Kennedys had "*rigged*" the files of the Library, so as to make it appear that the book was no longer available, to wit:

Originally, the book was on file in the "*Library of Congress — Annex, Room 5009-A, Geneology Division.*" Therefore, one would expect to find the book indexed under B in that room. But after searching through not only all the Blauvelts, but the Hendricks and Coopers (*other direct ancestors*), and not finding it, she was about to give up the search, when she was "*tipped off*" and directed to the Index Box marked "*from DR - DZ*", and there she found an Index Card marked CS71. B6478 . . . 1957. "*Durie Family and Blauvelt Family Geneology*".

The clerk at the desk, when our investigator made her request for the book, was astounded — and momentarily speechless. She finally produced the book, but would not permit it to be taken out of the room — nor would she permit any photos or photostats of any parts of the book . . . *obviously, she had been "INSTRUCTED!"*

DURIE EVADES ALL QUESTIONS

Durie has been contacted numerous times by phone by reporters and other researchers. She refused to admit or deny the marriage and divorce story. That, of course, is also the case with all the Kennedys. They apparently feel that if they can maintain silence, along with the White House enforced press control, the entire story will eventually die out.

However, I discovered a more effective approach to the lady: I found that she and her present husband have friends in the theatrical profession — particularly Hollywood Stars, Bob Mitchum

among them. I suggested to two or three such individuals that when in Palm Beach they visit with Durie and see what they could learn. Well, as one of them expressed it, she responds to all such questions with "a Mona Lisa" smile — then murmurs that famous line from the old song: "She wouldn't say 'Yes' and she couldn't say 'No'."

However, the pressure evidently became a little too much for her — she finally decided to take a vacation in Switzerland from all requests for interviews about the matter. *She will be in Switzerland for an indefinite period of time.*

And now I will submit a significant thought for the skeptics to ponder: if that item in the "Genealogy" is false, one doesn't have to be the President of the U. S. to be able to legally force the compilers of the book to retract — ditto the publishers. Just one joint official statement by JFK and Durie would do it — IF the item is false! Why haven't they done so? Instead they are employing threats and intimidations to suppress the story. WHY!

I will conclude with just one remark with which nobody can take issue — and that is: there is far too much smoke in all this without there being a lot of fire. Sooner or later, the full truth, including the times and places of both the marriage and the divorce will come out.

P.S. Is it true that Joe Kennedy's stroke was brought on by the revelation of that secret marriage and divorce? . . . Both the revelation and the stroke came virtually simultaneously.

TO : Mr. DeLoach *DeLoach* DATE: 10-4-62

FROM : D. C. Morrell *Morrell*

SUBJECT: CONGRESSMAN CLARENCE CANNON

A letter dated September 21st from Congressman Cannon was referred to the Bureau by the State Department. This letter from the Congressman encloses a copy of the Cinema Educational Guild, Inc., pamphlet known as the 1961 "Red Stars" tract. Congressman Cannon wants to know whether the tract is authentic and wants advice concerning it.

BACKGROUND:

Myron C. Fagan is National Director of the Cinema Educational Guild, Inc., a Hollywood, California, anticommunist, anti-Semitic organization of the extreme right. Fagan is a minor playwright and movie director who has been in the entertainment field since the 1920's but in recent years his main activities have concerned the hate campaign of the Guild.

Claiming to speak with authority as a member of the industry, Fagan has chosen as his special targets for his invective, the movie and television media. Since he established the Guild in 1949, he has castigated prominent Hollywood personalities as pro-communist. In addition to the "Red Stars" tract, the Guild in 1962 published a more complete list of "Red Stars" naming some two hundred actors, directors, writers, etc. as communists or "fellow travelers." He states the "Reds" have returned to positions of power in the movie and television industries and are deluging the American public with "Red propaganda."

His most recent activities involve several publications attacking the President, the Attorney General and other members of the Kennedy family. The Guild has been responsible for distribution of scurrilous publications on a national basis but there is no indication it has gained any great following nationally. Fagan appears to be the main force of the Guild and its publications obviously reflect his emotional ramblings. He has attempted to use the name of the Director and the FBI in connection with his program of vilification. Some of his material indicates it is documented in "official records."

Morrell to DeLoach Memorandum
Re: Congressman Clarence Cannon

Fagan has created a great deal of controversy with his half-truths and innuendoes and claims that movie "moguls" have blackballed him from further work in Hollywood.

Bufiles indicate we have had very cordial relations with Congressman Cannon who is Chairman of the House Committee on Appropriations.

OBSERVATION:

A letter has been prepared with a constituent copy addressed to Congressman Cannon setting forth our regular reply concerning inquiries about the Cinema Educational Guild and its publications. It is believed this should be delivered to the Congressman to assist him in connection with his constituent's inquiry. However, he should also be confidentially advised of the background concerning Fagan and the Guild.

RECOMMENDATION:

That attached letter be delivered by someone in your (Mr. DeLoach) office to Congressman Cannon or a member of his staff at which time the above pertinent information should be furnished orally on a strictly confidential basis.

Gentlemen:

Please examine the enclosed literature and furnish me an opinion of their validity.

Also, I would like to know if your records show the affiliation of the publishing organs involved, and, if at all possible, whether or not you would consider these organs, singly or collectively, to be connected with any subversive elements or, as they profess to be, the beliefs of genuinely patriotic Americans.

I have chosen to write to you, because, should the context of these tracts be based upon truth, one must surely and certainly be led to a condition of distrust and dismay with one's political leaders. Conversely, if these tracts are filled with misrepresentation or outright untruths, one must surely and certainly be led to consider their content to be motivated by subversive intent. In either case, the maintenance of law and order is your mission; therefore it follows you must be in the position to best know the answers to my requests.

I would appreciate your returning these tracts to me if at all possible.

A self addressed envelope is enclosed for your convenience, and I gratefully acknowledge your assistance and cooperation.

Sincerely,

Dear Sir:

I have been given (on loan) a small folder credited to the Cinema Educational Guild, Inc.

P. O. Box 46205
Hollywood, California

It lists It lists scores of actors, singers, dancers, commentators, writers, directors, producers and composers who are communists as well as their TV sponsors. I would appreciate receiving from you verification as to the authenticity of the folder. I regret I do not have a copy I can send you.

Also while I'm writing, what is the status of UNICEF? I am told it is communist. Since I run a newspaper and thru my church "Methodist" have supported the Hallowe'en promotion thru my paper and altho the church is not doing it this year, I still want to know if it is. Other churches cooperated with the Methodists, but some refused, their specific reason I do not know.

I hear speakers frequently saying do something, do something, do something, yet never say what to do. This is at least an attempt to be informed. If this Cinema Educational Guild is correct in their listing, I would appreciate knowing it and thank you for your time and trouble.

Yours sincerely,

Mrs. [Redacted], co-owner

TO : Mr. DeLoach *pen*

DATE: October 12, 1962

FROM : D. C. Morrell *pen/gen*

SUBJECT: *La 20*
ASSISTANT TO SENATOR ALLEN J. ELLENDER *S 2-1*

Correspondent sent a letter to the Director on 10/9/62 in which he enclosed a "Red Stars" tract from the Cinema Educational Guild, Inc. He asked for the Director's comments concerning it.

BACKGROUND:

Myron C. Fagan is National Director of the Cinema Educational Guild, Inc., a Hollywood, California, anticommunist, anti-Semitic organization of the extreme right. Fagan is a minor playwright and movie director who has been in the entertainment field since the 1920's but in recent years his main activities have concerned the hate campaign of the Guild.

Claiming to speak with authority as a member of the industry, Fagan has chosen as his special targets for invective, the movie and television media. Since he established the Guild in 1949, he has castigated prominent Hollywood personalities as pro-communist. In addition to the "Red Stars" tract, the Guild in 1962 published a more complete list of "Red Stars" naming some two hundred actors, directors, writers, etc. as communists or "fellow travelers." He states the "Reds" have returned to positions of power in the movie and television industries and are deluging the American public with "Red propaganda."

His most recent activities involve several publications attacking the President, the Attorney General and other members of the Kennedy family. The Guild has been responsible for distribution of scurrilous publications on a national basis but there is no indication it has gained any great following nationally. Fagan appears to be the main force of the Guild and its publications obviously reflect his emotional ramblings. He has attempted to use the name of the Director and the FBI in connection with his program of vilification. Some of his material indicates it is documented in "official records."

Dear Mr. Hoover:

Jaw (2-1)

I am enclosing a tract which I recently received at our local church. We are extremely concerned as to the truth of its contents. I wonder if there actually is documented evidence against these persons, or is this a type of "smear campaign".

Could you tell us what is the ^①Cinema Educational Guild, Inc., and their reputation?

The tract mentions a Myron C. Fagan, author of the book "Documentations of the Red Stars and Fellow Travellers in Hollywood and TV". Is this book authoritative or is this possibly a front for channeling funds to the Communist Party?

Has the House Un-American Activities Committee carried on investigations concerning the reference in the tract?

We feel this tract should not be ignored, but requires a course of action. If the charges contained are true, they should be distributed further. If the charges are false, this type of literature should be suppressed or refuted.

We hope you will be able to assist us in obtaining facts which will aid us in choosing the proper course of action as informed citizens.

Thank you for your help.

Dear Mr. Hoover,

Since the Communist threat to America has become so great, I am very anxious to do everything in my power to fight Communism.

Attached is a tract published by Cinema Educational Guild, Inc., which seems to be a very effective way to help drive some of the Reds into inactivity. Since the Reds are using so many fronts, it is wise to know that we are not unknowingly working in one of these fronts. This is why I am writing you for your honest opinion about Cinema Educational Guild, Inc. & Mr. Myron C. Fagan.

If you do not have this information, please refer this to someone who might can help me.

I am not working with any group or organization, but just as an American who has become alarmed about the Communistic activities in our Country.

When I am satisfied that I am doing the right thing, I intend to try to make others aware of this threat & organize and fight it to the best of my ability.

Reurlet 10-26-62.

For your information the Cinema Educational Guild, Inc., Hollywood, California, is allegedly an anticommunist group which has been responsible for wide-spread distribution of sensational-type leaflets. The one you forwarded with your memorandum has been given particularly wide distribution, as well as leaflets urging impeachment of Chief Justice Warren, our disassociation from the United Nations, etc. Its national director, Myron C. Fagan, has attempted on numerous occasions to use my name in the furtherance of his publications and group's activities, and he has been admonished on repeated occasions by our Agents in this regard. During the last two or three years, the Cinema Educational Guild has distributed leaflets which imply it has information from our files to bear out the group's contention that many public figures are communistically inclined.

Numerous citizens' inquiries regarding the Cinema Educational Guild are received at SOG and are acknowledged by informing correspondents of the confidential nature of our files. It is, however, pointed out to such citizens that Myron C. Fagan or representatives of the Cinema Educational Guild, Inc., definitely do not have access to our files. Appreciation should be expressed to Mr. [redacted], for bringing the booklet to our attention, and advise him along the lines just outlined in this paragraph.

industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That ROCKED the Nation! The people, infuriated, began to "boycott" the theatres showing those REDS and the RED films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed THOUSANDS of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: their pocketbook! — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "never again would they employ any REDS" — that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But actually they were merely waiting for the people to forget. And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") under fictitious names . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people did begin to "forget" — And, gradually, the Marches, the Robinsons, the Mithestones and all the other REDS began to creep back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—RACIAL DISSENSIONS!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever — even the infamous "HOLLYWOOD TEN" are back again! — and all the honors, including the "Oscar", have been restored to them . . . all because the people have forgotten!

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — by the Hollywood Reds! RIGHT NOW all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda and, via your TV Set they are being brought into your Living Room and are brainwashing and poisoning your children right under your very eyes!

YOU can stop all that! — by shunning the theatres that show the REDS — by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! You did it once—you can do it again!

Don't ever again FORGET that every time you patronize a Firm made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America!!!

Among the worst offending Sponsors are FORD MOTORS, Kraft Foods, General Electric, Chrysler U. S. Steel, Texaco, etc. among the worst offending TV Producing Studios are Screen Gems, Inc., MCA-REVUE, Warner Brothers, DESILU Four Star Films Inc., Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows (and the Ed Sullivan Show in particular) are, consciously or unconsciously, bringing REDS into your Living Rooms. Watch the Producer's "Credits" on every TV Show you see.

Here is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPON-

SOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE.

— THAT is the only way we will drive the REDS out of Hollywood — Radio — Television. Hit the pocketbooks of the Sponsors! REMEMBER every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY!

"RED STARS" — TRACT

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS ... To save America

from the Communist Conspiracy —

DON'T PATRONIZE REDS!!!

Keep Them OUT of Your (TV) Living
Rooms - Out of Radio - Off the Screen

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America ... that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America ... that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans ... that other films were made to craftily glorify COMMUNISM and ONE-WORLD-ISM ... and still other films that deliberately created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. The Hollywood Moguls frantically denied everything. That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the

Here you have the names of more than 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

NOTE.—A more complete list, with their **officially DOCUMENTED** backgrounds of pro-Communist activities, their RED FRONTS, the techniques they employed through the years to retain their holds on both Hollywood and TV, and other invaluable information can be found in "DOCUMENTATIONS of the RED STARS and FELLOW-TRAVELLERS in HOLLYWOOD and TV", by Myron C. Fagan ... this book will startle you—shock you—ENRAGE you ... and make you FIGHTING mad! You can get this sensational book by sending \$2.00 to Cinema Educational Guild, Inc."

SUBJECT: SENATOR EDWARD V. LONG

B. Gardner

A letter dated October 18th from Senator Long was referred to the Bureau by the State Department. In his letter Senator Long advised that he has received a request from a "Missourian" for information on Mr. Myron Fagan who has written publications for Cinema Educational Guild, Inc., of Hollywood, California. The Senator requests any information concerning Fagan's background and current activities.

MYRON C. FAGAN:

Myron C. Fagan is National Director of the Cinema Educational Guild, Inc., a Hollywood, California, anticommunist, anti-Semitic organization of the extreme right. Fagan is a minor playwright and movie director who has been in the entertainment field since the 1920's but in recent years his main activities have concerned the hate campaign of the Guild.

Claiming to speak with authority as a member of the industry, Fagan has chosen as his special targets for invective, the movie and television media. Since he established the Guild in 1949, he has castigated prominent Hollywood personalities as pro-communist. In addition to the "Red Stars" tract, the Guild in 1962 published a more complete list of "Red Stars" naming some two hundred actors, directors, writers, etc. as communists or "fellow travelers." He states the "Reds" have returned to positions of power in the movie and television industries and are deluging the American public with "Red propaganda."

His most recent activities involve several publications attacking the President, the Attorney General and other members of the Kennedy family. The Guild has been responsible for distribution of scurrilous publications on a national basis but there is no indication it has gained any great following nationally. Fagan appears to be the main force of the Guild and its publications obviously reflect his emotional ramblings. He has attempted to use the name of the Director and the FBI in connection with his program of vilification. Some of his material indicates it is documented in "official records."

Morrell to DeLoach memorandum
Re: Senator Edward V. Long

Fagan has created a great deal of controversy with his half-truths and innuendoes and claims that movie "monguls" have blackballed him from further work in Hollywood.

SENATOR EDWARD V. LONG:

We have enjoyed friendly relations with Senator Long (Democrat-Missouri) and no information of a derogatory nature could be located identifiable with him.

OBSERVATION:

A letter has been prepared with a constituent copy addressed to Senator Long setting forth our regular reply concerning the confidential nature of our files. It is believed this should be delivered to the Senator to assist him in connection with his constituent's inquiry. However, he should also be confidentially advised of the background concerning Fagan and the Guild.

RECOMMENDATION:

That attached letter be delivered by someone in your (Mr. DeLoach) office to Senator Long or a member of his staff at which time the above pertinent information should be furnished orally on a strictly confidential basis.

Dear Sirs,

A small paper was given to me yesterday. It 's called a "Red Stars" tract. Among other things it lists 200 names or more , of people who are in this country, some of them very famous stars who are supposed to be registared Communists.

It is also trying to sell a book called "Doc-umentations of the RED STARS and FELLOW-TRAVELLERS in HOLLYWOOD and TV." by Myron C. Fagan.

Also they offer these "RED STARS" tracts for \$2.00 per 100. The address is: CINEMA EDUCATIONAL GUILD, INC., P.O. BOX 46205 Hollywood 46, Cal.

Could you tell me if this information is reliable?

Do you have a list of registared communists in your department that is available to the public? If so I would like a copy?

Sincerely yours,

NOTE: Correspondent enclosed a tract disseminated by Cinema Educational Guild entitled "Kennedy's Death Trap For U. S. !!!" This pamphlet states a bill was introduced before the House (HR 613) which would require all American citizens to register their guns with the FBI. It further stated the FBI would then be forced to confiscate every privately owned weapon in the Nation. [REDACTED] [REDACTED] came to the Bureau's attention in 1948, when as a building contractor in [REDACTED], he allegedly victimized individuals by not living up to contracts agreed upon to construct homes.

Dear Sirs,

Enclosed is a leaflet I found in my mail box. I have read it, and at once had the idea to forward it to the F.B.I. office for further enformation.

On the back page of the leaflet I have marked a paragraph would like very much to know what it means, and if Bill (HR 613) was brought up before the house, and the results. (if so.)

If the enformation contained in this tract is false, is the purpose of the ones responsible, to stir up trouble in the United States?

If its true, what would be the duty of all true Americans in the face of such a plot?

I realize the Communist have all kind of sneaky tricks to cause people to get upset, and believe we are being taken over.

Karl Marx theory - to find the weakest spot, and keep plotting do any thing to promote revolution.

Is this Cinema Educational Guild Inc. Communist inspired? or just what is their purpose.

This is not the first time I have read "all firearms will be required to have registered with the F.B.I. by the owners," in order to disarm all citizens. One Baptist Minister spoke of it from the pulpit on Sunday to his congregation urging them to write to their Congressmen, Senetors etc. to vote against it.

Also another idea, could this be published by the Republican party for their own benefit? I am a Reg. Republican, but do not condone any

It is the duty of all loyal Americans to find out the truth, and the whys if they recieve literature they don't know the Source or purpose.

I shall certainly appreciate the enformation I've out lined.

Mr. Robert Kennedy, attorney general

Dear Sir:

You will probably never read this letter, but I hope some-one informs you of the text of this letter: —

I am

[redacted], employed at Ypsilanti State Hospital; and one of my duties is to take all patients, on the ward I work on, to church (all denomination)

This Sunday a.m., while listening to the minister talk to the patients, a man and his wife approached me by asking me where I lived & when I told him, he asked me if I knew where a certain man (he called him by name & I know I have heard of him from reading the papers) who was the head of the John Birch Society^(?) and who lived in Grosse Pointe. I let him talk just to hear what I could. Then he handed me the enclosed pamphlet.

I glanced thru it and decided to send it on for what it is worth. maybe nothing; but it sounds ~~subversive~~ ^{subversive} to

me. I hope I'm not making a "mountain" from
a "mole-hill"!

b6
b7c

This man & his wife said their name was
Mr. & Mrs. [redacted] & they lived on [redacted]
in [redacted] and that they attend a church
in [redacted] whose Pastor is [redacted]
and that they receive this booklet & others like
it at this church.

As you probably know by this letter I do not
approve of underhanded, sneak-thieves trying to
overthrow our government and especially our
President, your brother.

Sincerely

Mrs. [redacted]

P.S.

If you could sit beside this Mr. [redacted] for
1 hr like I did, you would have observed that
Mr. [redacted] makes a very good tool for
subversive people. I also question what
he is doing in a mental hospital church, when
he has a church of his own!

ing for the "better climate".— and in place of Eisenhower, Nixon, Rogers and Herter we have Kennedy, Lyndon Johnson, little brother Bobby and Rusk ready and waiting to do what that other unholy quartet tried to do

Only one thing will kill that plot. IMPEACHMENTS and CONVICTIONS of the ringleaders, **whether they be Presidents or Senators!** Even more important, impeachment proceedings will unmask — and torpedo — the entire Great Conspiracy . . . and for those who doubt the existence of such a Conspiracy, there are three questions: (1) Who delivered the Balkans and Berlin to Moscow? . . . (2) Who delivered China to the Communists? . . . (3) **Who delivered Cuba to Castro?** IMPEACHMENTS will provide the answers.

And don't let anybody tell you that a President, or a Senator (or a U. S. Supreme Court Justice) cannot be impeached . . . precedent tells us otherwise, to wit: in 1868 President Andrew Johnson was impeached — he escaped conviction by one vote, but he WAS impeached . . . in 1917 James E. Ferguson, Governor of Texas, was impeached and convicted! And the Governor of a sovereign state is just as much a "royal" personage in his State as a President is in the nation.

Moreover, our Constitution states

"The President, Vice-President and all civil officers of the United States shall be removed from office on impeachment for, and conviction of, Treason, Bribery, or other high crimes and Misdemeanors."

The Constitution defines TREASON against the United States to: . . . "consist of levying war against them (the U. S.), or in adhering to their enemies, and/or GIVING THEM AID AND COMFORT" . . . it also declares that . . . "Congress shall have the power to declare the punishment of Treason" . . . whether committed by a President, a Vice-President, a Senator, or a Supreme Court Justice!

Fellow American, the United States belongs to the American people, not to the men to whom WE

have given their high offices. Repeal of the Connally Amendment would be HIGH TREASON to the U. S. and the American people — just as the delivery of Cuba to Castro was HIGH TREASON to the U. S. and the American people . . . every individual guilty of either act must be tried in accordance with the rulings of our Constitution . . . and it is the sacred duty of ALL loyal Americans to our Country — and to their own children — to demand such action from their Senators and Representatives.

We must have that action NOW — not AFTER the evil deeds have been accomplished ! ! !

Every member in both Houses of Congress has a SWORN obligation to protect and defend the United States, the Constitution, the sovereignty of our nation . . . Hence, this is an urgent appeal — nay a DEMAND — by the American people to all members in both Houses of Congress to fulfill their oaths to summon forthwith for proper trial all those named herein who collaborated in the plot to repeal the CONNALLY AMENDMENT!

That will forever stand as a warning for all others who might be tempted to commit treason . . . **IT MEANS THE SALVATION OF OUR NATION ! ! !**

UN WORLD COURT!

That is what will happen if the CONNALLY AMENDMENT will EVER be repealed ! ! !

The CONNALLY AMENDMENT is our only safeguard against the International-Communist Conspiracy's "WORLD COURT" plot to transform the United States into an enslaved province of their planned UN One-World Government ! ! !

To Save Our Country, we must

IMPEACH

All those who attempted — and are still plotting — to repeal the CONNALLY AMENDMENT . . . read — and digest — the following and you will see why it is a MUST.

In 1945 the INTERNATIONAL-COMMUNIST conspirators set up the UN ("UNITED NATIONS") to be the crux of their plot to create their ONE WORLD GOVERNMENT — but particularly to transform the United States into a unit of that One-World Government . . . because as long as the United States re-

mains free they can never achieve their plot ! ! !

The UN CHARTER, when it was ratified by the U. S. Senate (in July 1945), became the "TREATY" that made the U. S. a member of the UN.

That CHARTER was written by ALGER HISS and Moscow's MOLOTOV and VISHINSKY . . . nevertheless, with one or two exceptions, our Senators ratified that CHARTER **without reading it!** Why? . . . We don't know — **but that is how it was done!**

In that CHARTER the conspirators inserted several crafty provisions that were to enable the UN to transform itself into a ONE-WORLD GOVERNMENT—and to transform the U. S. into a unit of that "government" . . . **without the American people knowing it, or realizing it, until it was a fait accompli — and from which we could not pull out ! ! !**

—o—

Why We Could Never Pull Out!

One of those Charter "provisions" authorized the UN to set up its own "SUPREME COURT", to be known as the "International Court of Justice" (World Court). That "Court", **answerable only to the UN**, is comprised of one American and FOURTEEN Foreign and COMMUNIST Justices: — The American Justice is none other than the notorious pro-Communist PHILIP JESSUP! — **all appointed by the UN, without approval by the U. S. . . .** Ostensibly, this "Court" was to have jurisdiction **only** of International affairs, but analysis of the fine print in that provision establishes beyond any doubt that it could assert **complete jurisdiction** over our immigration laws, our tariffs, interstate commerce, the Segregation question, all "Minority Group" disputes, **our control of the Panama Canal** — in short, of all our Domestic affairs, as well as Foreign — **and there could be no appeal from its "Decisions" ! ! !**

Furthermore, any American charged with "transgression" of any "World Court" Law could be taken out of this country for trial in The Hague, or in MOSCOW, by a Tribunal designated by the "World Court" — and he could not appeal to our Con-

stitutional Laws — or be defended by an American lawyer — **and the United States could do nothing about it . . .** and GET THIS: the jurisdiction of the "World Court" would include . . . **"the trial (under the above conditions) of individuals and private organizations accused of offenses against the UN Charter" . . .** and, of course, **criticism would be an "offense" ! ! !**

And there you are — that's why, once we'd be engulfed, **by "World Court" DECISION**, in the UN One-World Government we could never pull out . . . **who'd dare commit the "offense" of protesting?**

—o—

"Connally Amendment" Saved Us!

Fortunately, all such "provisions" have to be individually ratified by our Senate. So, in November (1945) Sen. Wayne Morse submitted a "Resolution" whereby the Senate would authorize our Government to accept complete and COMPULSORY jurisdiction of the UN's "World Court" — and on December 17, Rep. Herter submitted a similar "Resolution" to the House . . . **and again the Senators were about to ratify that "Resolution" without reading it!**

But Sen. Tom Connally DID read it — and saw in it the complete surrender of the U. S. to the UN, **via the future "DECISIONS" of the UN's "World Court" ! ! !** And, in the nick of time, he quietly insisted upon the addition of **six little words** that were to protect the United States from the "World Court" future "DECISIONS" — those "**six little words**" were . . . **"as determined by the United States."**

And THAT is the Connally Amendment . . . **it is the only thing that has kept — and is keeping — the United States from becoming an enslaved province in a United Nations "One-World Government".**

Yet, Eisenhower (his last act while President) DEMANDED that it be repealed—and that the **UN World Court be granted full and COMPULSORY jurisdiction over the U. S. and the American people ! ! !** The then Vice President Nixon and Senators

Morse, Humphrey, Javits, Clark and Fulbright supported that DEMAND.

Well, **REMEMBER THIS WARNING** : if ever the Connally Amendment will be repealed, nothing under the sun will prevent a "World Court" DECISION that will transform the UN into a "One-World Government" — and then — **(ostensibly to give the UN the "POLICE FORCE" it will need to enforce PEACE)** there will be more "World Court" DECISIONS that will require (**polite word**) the U. S. to transfer (**surrender**) our Armies, our Navies, our Air Force and our Nuclear weapons to the UN . . . **exactly in line with Eisenhower's "Disarmament" program—and his plans to "strengthen the UN" ! ! ! . . . Thus a disarmed U. S. in the grip of an all-powerful "strengthened" UN ! ! ! . . .** And that would mean the end of our Constitution, of our Bill of Rights, of our Declaration of Independence — **the end of a free United States and a FREE American people!**

THAT is the objective of the Masterminds of the Internationalist-Communist Conspiracy . . . **that is what would have happened if Eisenhower and the other Washington tools of those Masterminds had forced the repeal of the Connally Amendment!**

Only one thing stopped that act of foul TREASON: **the plotters' fear of the rage of an awakening people** — they knew that if they persisted with their plot, **and ALL of the people became aware of it**, their careers would end exactly as did the careers of Pierre Laval, of Marshal Petain, of **QUISLING** — so, **at the very first outcry**, they hastily abandoned their plot.

But let there be no delusion that the plot has been smashed — it has only been delayed — to be revived as soon as we (the people) will "forget" and go back into slumberland. Sen. Fulbright made that very clear when he reluctantly withdrew that Wayne Morse traitorous "Resolution" and said: **"We must wait for a better climate."** No, that plot is not only not dead, but the same Senate ringleaders (Morse, Humphrey, Javits, Clark, Fulbright), are there wait-

decision in San Francisco . . . Strictly speaking, therefore, the Big Five (but specifically the Soviet and the U. S.) had no right to arrive at any understanding regarding the disposition of the office of Assistant Secretary-General which was binding upon the Secretary-General."

However, after a "conversation" with Stettinius, the then U. S. Secretary of State, Mr. Lie decided that it would be expedient for him to "forget" all about "rights" and "terms of the Charter": Stettinius confirmed the "agreement" with the Soviet whereby that post was to be held by a Russian national — he also confirmed its permanency! After that, says Mr. Lie ". . . it would not have been politic for me to resist that (secret agreement) accord."

He then reveals what little authority he had in all such matters, even in the choice of the Russian to fill that all-important post, although, under the Charter, he alone had that choice . . . when he named one Alexis Roschin as his choice, Vyshinsky bluntly told him that he (the Kremlin) had already assigned Arkady Sobelov to that post — and Mr. Lie (admittedly) realized that "his was not to reason why, his was but to obey — OR GET FIRED!

WE NOW HAVE THE PROOF !!!

In 1956 Congress was on the verge of hauling the UN in for a hearing — that double-talking, deliberately false State Department "official statement" killed that hearing . . . simply because we lacked DOCUMENTARY evidence of that "secret agreement". Well, now Trygvie Lie has provided that DOCUMENTARY evidence — evidence that that "secret agreement" caused the U. S. to lose the first war in our entire history—evidence that that "secret agreement" **MURDERED and MAIMED 145,000 American boys in KOREA!** — evidence that the very existence of the U. S. is in the balance!

Now it is up to Congress to act — to thoroughly

investigate the UN — and to unmask the traitors in our government who are deliberately shielding the UN.

But Congress won't act unless "the people" DEMAND that they act — and the people won't DEMAND until they know what to DEMAND. Senator Jenner said: "Our problem is to get the story to the people" — so that they will KNOW what to demand

YOU can solve that problem with this Tract! — coupled with Tract No. One!

You owe it to America — and to your own children — to SPREAD these two Tracts far and wide. Buy what you can afford and give them to Veterans Organizations — Civic Organizations — Clubs. Give them out where you work — give them to your Pastor for distribution — enclose copies in every letter you write.

It is up to YOU and every loyal American to DEMAND that Congress put the UN on open trial before both Houses!

Send signed copies of these two Tracts to your Congressman and Senators — tell them if they won't do it, you will VOTE for other men who will!

THE TRUTH...

**ABOUT
 THE
 U. N.**

as revealed

by **TRYGVIE LIE**

In 1956, after he saw the play "THIEVES' PARADISE", Congressman Usher L. Burdick decided to personally investigate the charges in that play that the UN is an INTERNATIONALIST-COMMUNIST death-trap for the U. S.

—o—

The most startling of all the charges was that secret agreement between Alger Hiss and Molotov whereby the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist | | | Now, under the Charter, "little wars" to prevent Communist aggression (such as Korea) are to be controlled by the UN, to be commonly known as "UN Police Actions." Thus, they are under the jurisdiction of the (Moscow Communist) Chief of the UN Military Staff Committee! GET THAT! All Communist aggressions are to be prevented by the Communist Chief of the UN Military Staff Committee | | |

Congressman Burdick's researches completely confirmed all those charges. He promptly published his findings in the "CONGRESSIONAL RECORD", and demanded that the UN be hauled up for a thorough (open to the public) hearing by the properly constituted Congressional Committee — and he instituted a personal "crusade" to get his colleagues in the House of Representatives to join in that demand.

Simultaneously, we (CEG), to get "the people" to demand that their Representatives support Burdick, issued a "Tract", which, in condensed form, published all the charges in "Thieves' Paradise". For DOCUMENTARY PROOF, we quoted sections of "U. S. Government (TOP SECRET) Bulletins" which OFFICIALLY confirmed all those charges . . . Those TOP SECRET Bulletins confirmed that the UN gave MOSCOW'S Gen. Vasiliev a "leave of absence" from his UN job as Chairman of the UN Military Staff — TO GO TO NO. KOREA TO BE COMMANDER-IN-CHIEF OF THE RED CHINESE AND NO. KOREAN ARMIES | | | . . . Those Bulletins PROVED that ALL

the American boys who died in Korea were MURDERED by the UN — as a result of that Hiss-Molotov secret agreement | | | . . . they PROVED all our charges of the UN treachery and treason that won the Korean War for the Red Chinese | | |

—o—

Very quickly a half-million copies of that "Tract" were circulating through the nation — thousands upon thousands came pouring into Washington . . . at the peak of that avalanche, more than 200 Congressmen pledged themselves to back Burdick! The "Enemy Within" became panic stricken — they knew that unless that "Tract" was discredited and "killed" a Congressional investigation was inevitable — and that would mean the end of the UN | | | . . . And then the State Department came to the rescue of the Conspirators — they issued an "official statement" in which they denied our charges — and virtually proclaimed that their own original "U. S. Government (TOP SECRET) Bulletins" were falsehoods. And, promptly, the UN and ALL the UN Fronts — and the State Department — flooded the nation with that false and misleading "official statement"!

Now, get this point: in their denials, those "official statements" never once named the "charges" they denied — they operated on the theory that if they could cast a doubt on any one charge it would discredit all charges. They picked the Hiss-Molotov secret agreement as the safest charge to attack. In our "Tract" we clearly stated that that agreement was an oral one. Therefore, they knew that we had no WRITTEN proof for that charge. So, feeling perfectly safe, they, in so many words, challenged us to produce DOCUMENTARY evidence that such an agreement had ever been made!

That strategy worked perfectly! And why not? After all, it was an OFFICIAL denial issued by OUR OWN STATE AND DEFENSE DEPARTMENTS — surely they wouldn't be guilty of deliberate falsehoods! Oh, no? Anyway, "the people", confused, believed

them. The demands (Tracts) for a Congressional investigation died down to a whisper — the UN was saved by the FALSE "alibis" provided by our own State Department and Pentagon!

But, NOW, lo and behold, their own arrogant challenge for "DOCUMENTARY" proof of that secret agreement has boomeranged against them—to wit:

There were just five men directly involved in that secret agreement: Hiss and Molotov — Stettinius and Vyshinsky — and Trygvie Lie, Secretary General of the UN. When we (CEG) first revealed that agreement (in 1949) all five remained silent. But, after Lie "retired", he wrote a book, which he called "IN THE CAUSE OF PEACE". Maybe he wrote it just for profit — maybe to clear his conscience. Anyway, in that book, on pages 45 and 46, in the chapter entitled "SECRETARIAT" he provided us with the DOCUMENTARY PROOF of that secret agreement — the following is his (verbatim) statement:

"The choice of the Assistant Secretaries-General, who would constitute my 'cabinet' was, of course, my first concern. It soon appeared that it was equally the concern of some of the great powers. Mr. Vyshinsky was the first to inform me of an 'understanding' which had been reached in London on the appointment of a Soviet national as Assistant Secretary-General for Political and Security Council (which specifically includes the Military Secretariat, officially designated as the 'War, Communications and Information Secretariat'). Mr. Vyshinsky simply spoke of an 'agreement' — he said nothing of its binding quality, of the right to arrive at it, or the length of time it was meant to apply."

Mr. Lie then stresses that nobody had any right or authority to make such "decisions" or "Understandings", to wit: ". . . by the terms of the Charter, the Secretary has full (and sole) authority in the disposition of the Assistant Secretary-Generalship, with respect both to nationality and personality. That authority, in fact, was the point of a hard-won

62-87267-825

That UN "Dress Rehearsal" revealed another very serious problem for the "Master Plotters;" to wit During the "invasions" many infuriated townspeople (civilians) rushed into their homes and emerged with various types of guns (pistols, rifles, shotguns) ready and willing to mow down the "invaders." Now, the "Plotters" know that MANY millions of Americans are equipped with such weapons - they realize that what happened in Budapest and the Congo would be light skirmishes compared to what would take place when and if they would try to move any kind of alien troops into this country. They decided that there is only one sure way to make the American people helpless to prevent the final BIG Take-Over: take away ALL their weapons - completely disarm them - IN ADVANCE! So'o in January 1961, simultaneously with the inauguration of Kennedy as President, Congressman Victor L. Anfuso (Dem. N. Y.) introduced a Bill (HR 613) before the House, which, when and if passed, will require all American citizens to register ALL their guns with the FBI!

Do you realize what that means? It means that when the UN will be ready to launch the "take-over" of the U. S., on order by JFK, the CFR's stooge in the White House, the FBI will be FORCED to confiscate every privately-owned weapon in the nation we will be disarmed IN ADVANCE - we won't be able to fire one shot to prevent the enslavement of our Country within a Communist UN One-World Government!

(NOTE:-Don't dismiss this WARNING as alarmist conjecture. In our "News-Bulletins," Nos. 87 and 88, entitled "OUR INVISIBLE GOVERNMENT MADE VISIBLE," Parts 1 and 2, we establish, with prima facie evidence, that the CFR is already in full control of our Federal Government . . . our "News-Bulletins" Nos. 90 and 91 reveal how the CFR plant their stooges in the White House, the State Department and in all Federal Agencies. Every one of those "News-Bulletins" will startle you - shock you - ENRAGE you make you FIGHTING mad - and determined to smash this plot! You can

get them from the "Cinema Educational Guild, Inc." for 50 cents per copy.)

Now you know why YOU, why ALL loyal Americans, must get off the sidelines and join in the fight for the survival of our nation-this is the most desperate battle for the preservation of our Freedom and Liberty since the Revolutionary War . . . Read full instructions in "News-Bulletin" No. 91 and join in the fight at once!

Meanwhile, for the love of God and our Country, send signed copies of this "Tract" to your Representative and both Senators . . . and get all their constituents in your community to do likewise - do it TODAY! The salvation of our nation depends on it!

Gentlemen of Both Houses of Congress: - Each and every one of you has a SWORN obligation to protect and defend the United States and our Constitution - and to safeguard all of the American people.

I, the undersigned, a citizen of the United States, hereby urgently request my Representative to join with other members in the House of Representatives and initiate the necessary Constitutional first steps for the impeachment of John F. Kennedy, President of the United States I further request and urge both Senators of my State to carry out the final steps for the trial of Mr. Kennedy, as provided by our Constitution.

1962 Tract No. 8 1962

KENNEDY'S DEATH TRAP FOR U.S.!!!

"END OF USA! . . . This morning the United States was formally inducted as a Province in the United Nations One World Government . . . and by order of the UN the old name was stricken and replaced by 'People's Republic of No. America'."

How would you like to see that front-paged in your newspaper? . . . Well, that is what you WILL see someday between now and 1970 - if John F. Kennedy achieves his "DISARMAMENT" plot as described in the "U. S. State Department PUBLICATION 7277," issued in September 1961:

They described that "PUBLICATION" as "FREEDOM FROM WAR" . . . But, actually, it is JOHN F. KENNEDY'S "blueprint" for the total disarmament of the United States - for the transference of ALL of our Armed Forces to the "United Nations" - for placing the U. S. into the "protective custody" of the UN . . . FOR TRANSFORMING THE U. S. INTO A UNIT OF THE INTERNATIONALIST-COMMUNIST UN ONE-WORLD GOVERNMENT! I

"PUBLICATION 7277," is a blueprint of rank TREASON . . . only IMPEACHMENT OF KENNEDY will save our Country!

As described in "PUBLICATION 7277," the delivery of the U. S. to the UN is to be accomplished within nine years - in "three stages" of three years each.

STAGE NO. 1 will be devoted to setting up a new "United Nations" Agency, to be known as the "International Disarmament Organization" (IDO). The chief functions of the IDO will be . . . A) Set up the preliminary machineries for the "Disarmament" program . . . B) Ditto for the gradual in-

ductions of all UN members into the IDO . . . C) Blueprint the steps for gradual transference to the UN of all Nuclear armaments and all the secret processes for producing such weapons . . . D) Develop arrangements for establishment of a "UN PEACE FORCE," under the sole and absolute control of the UN. . . E) Set up quotas of manpower each nation is to provide;

STAGE NO. 2: Provide IDO with UNLIMITED POWER . . . 1) To ENFORCE reductions of the armaments and manpower of all (national) military forces . . . 2) To ENFORCE restrictions on production of armaments . . . 3) To ENFORCE transfer of all armaments (including Nuclear) already in existence to depots under the sole control of the UN's IDO . . .

STAGE NO. 3: Increase the "UN PEACE FORCE" to such overwhelming strength that no individual nation will have the military power to challenge UN orders and/or demands. States (nations) would retain only such armed force (police) needed to maintain internal order—all other manpower subject to conscription for "UN PEACE FORCE" only.

NOTE: Our "News-Bulletin," No. 91, entitled "WHY WE MUST IMPEACH KENNEDY," contains a complete (verbatim) reprint of "PUBLICATION 7277." Ed.)

This TREASON plot is far more heinous than that which made BENEDICT ARNOLD a byword of infamy in American history . . . it is more heinous than the treason for which Pierre Laval and Quisling were executed . . . it is TREASON which DEMANDS Impeachments and Trials of KENNEDY and of all of his collaborators!

Bear in mind, this Treason Plot is not new — it was launched long, long ago In 1918-19, the Master Plotters set up the "League of Nations" to be the "housing" for their "One-World" trap. It failed — because one great American patriot kept the U S out of the "League." The Plotters waited for World War II and in 1945 they set up the "United Nations" for that very same purpose! Here is the PROOF ! ! !

THE "UWF" PLOT.

Early in 1947 the Master Plotters, **Council On Foreign Relations (CFR)**, set up the "UNITED WORLD FEDERALISTS" (UWF), officered and directed by REDS and Fellow-Travellers. The "job" set for the UWF was to coerce, seduce and bribe the Legislatures of 32 States to pass "Resolutions" memorializing Congress to transform the U. S. into a unit of a Federated (UN) One-World Government. It was all to be done very hush-hush. They chose California for their first "test." In March, 1949, the California Legislature SECRETLY passed the UWF "Resolution." Within four months, 25 additional States passed similar "Resolutions" . . . all they needed was 6 more States . . . and not one Newspaper, not one Radio news-caster mentioned one word about it ! ! !

But in July (1949) we (C.E.G) launched a furious campaign that exposed the plot — and FORCED the Legislature to publicly review the (UWF) "Resolution." At the conclusion of that review, the UWF was denounced as a traitorous Cabal — and the "RESOLUTION" was promptly rescinded! Within 60 days 24 other State Legislatures followed suit. That killed the UWF traitorous plot ! ! !

Now: except for slight variations, the verbiage in KENNEDY'S "PUBLICATION 7277" is identical with that in the rescinded UWF "Resolutions" — it is identically the same TREASON, the "variations" in verbiage being intended to (clumsily) camouflage the crux of the plot ! ! . . . But, wait you ain't heard nothin' yet!

THE UN "INVASION"

As it became obvious that the UWF plot was doomed, the UN decided to set up their own techniques and machinery for the "take-over" of the U. S. As their first step, they issued what they called: "United Nations Order No. 1." It ordered a number of small cities in California, Texas and New York (Names are available) to be "captured" and

"taken-over" by our own troops — in the name and authority of the United Nations ! ! ! This was done without the knowledge of our President (Truman)— so he said . . . of our Chiefs of Staff — so they said . . . of the Governors of the three States Upon being questioned, the head of the Security Council of the UN said it was "Simply a Dress Rehearsal." A Dress Rehearsal for what? He refused further explanation — and Washington hushed it all up ! ! !

THEY NEVER GIVE UP!

With their UWF plot and "Dress Rehearsal" torpedoed, the Master Plotters had to formulate new plans They set up what they called "The World Association of Parliamentarians For World Government," and held a "Conference" in London in 1952. That "Conference" decided that the ruling body ("World Parliament") of the One-World Government would consist only of appointed members. There would be a World Director, 8 zone directors and 51 regional directors. None of them would ever serve in their own countries So aliens would command alien troops stationed in the U. S. to enforce World Government law — and thus prevent American troops from "sheltering behind national allegiance."

That last precaution was inspired by what happened during that UN "Dress Rehearsal": many of our troops and Commanders indignantly refused to obey that "UNITED NATIONS ORDER NO. 1" That was why the "Conference" decided that each of the world zones would be "policed" by alien troops. The map they adopted for that purpose shows that Mongolian troops (the same kind that Khrushchev rushed into Budapest in 1956) are to be stationed in Canada, Mexico and the Northern half of the U. S., with Russian and Red Chinese troops in the Southern half . . . The Map also shows that American troops, conscripted by the UN, would be transported to "police" various other nations . . . But wait — you (still) ain't heard nothin' yet ! ! !

The Way of Life

Life! What a word to conjure with. Who would not have life? Nay, without it all is in an unthinkable void.

Questions confront us, such as these. Can we lose our life? Will our real life, like our physical life, come to an end? Or can we, do we, live eternally? If so, where will we spend that unending eternity? What determines our eternal destiny?

Believing that the Christian faith answers all these questions so vital to us, let us talk over the following. What is a Christian? How to become a Christian? How to live a Christian life.

I

What Is a Christian?

Perhaps the most natural definition of a Christian is one who believes on Christ and follows Him. To be a Christian one must not only believe Christ—most people do that—but believe on Christ. Believing on Christ we become His professed followers.

But the flaw in this definition lies in what it leaves unsaid. It emphasizes what we do rather than what we *are* and *have* through faith in Christ.

You may say, "A Christian is one who prays." But the Hindu in India prays, and perhaps more fervently. Or, "A Christian is one who lives a clean, upright life." But the Confucian in China does that, if he is true to his faith. Or, "One who goes to church; one who reads the Bible, one who gives generously to God's cause."

The Christian should do these, yet the doing of any and all of them fails to make him a Christian. A Christian may *act* that way, but what *is* he? What *is* he, and has he, that no one else is or has? Such questions suggest the following

1—A Christian Is One Who Has Found the Way of Life

Says God "I have set before you the way of life, and the way of death" (Jer 21 8). Again: "I have set

before you life and death Choose life" (Deut 30 19)
Says Jesus: "I came that they might have life" And
again He says.

"I AM the Way, the Truth, and the Life
no man cometh unto the Father, but by
ME"

From this we see that Jesus offered Himself as the
only Way of Life There is but one way and the
Christian has found it The Apostle's words are to the
same effect

"Neither is there salvation in any other: for there is
none other name under heaven given among men,
whereby we must be saved" (Acts 4 12)

2—The Christian Is One Who Has Eternal Life

How distinctive! In this respect he is different from
all other human beings Says Jesus "I came that
they might have life" (John 10 10)—He saw that we
were without it, so He brought it to us, and again,
"I give unto them eternal life" (John 10 28)—we could
not obtain eternal life in any other way, so He "gives"
it to us And still again:

"Verily, verily, I say unto you, He that heareth My
word, and believeth on Him that sent Me, hath ever-
lasting life, and shall not come into condemnation; but
is passed from death unto life" (John 5 24)

What is more, the Christian may know that he has
already become possessed of eternal life, for we read
from the Apostle John

"These things have I written unto you that believe
on the name of the Son of God; that ye may know
that ye have eternal life, and that ye may believe on
the name of the Son of God" (I John 5:13)

3—The Christian Is a Child of God

For this fact there is a very notable scripture stating
that all who receive Jesus as their Saviour and "believe
on His Name" pass through this remarkable experience.

"But as many as received Him, to them gave He
power to become the sons of God, even to them that
believe on His name, which were born, not of blood,
nor of the will of the flesh, nor of the will of man,
but of God" (John 1:12, 13).

There is no room for misunderstanding here. Alongside of our natural birth, by which we received our physical nature and life from our earthly parents, is placed another birth, a birth from God, by which we have received His nature and life. We are then His children, by actual generation, possessed of His life which, of course, is eternal.

From this it is very clear—surely no one can miss it—that the Christian life is not principally a question of character or conduct, but of being a member of the family of God.

4—The Christian Is One Who Is Related to God

The Bible says very plainly that people do not naturally belong to God, people cannot naturally serve or please God. Something, as we shall see, stands in the way.

So we are not thinking of a Christian as one who does something for God. That follows, but the first thing is this simple fact: he is related to God.

We, then, want to ask you this question, nay, we want you to ask yourself

Am I in Relationship to God?

Is God your Father? Are you His child? If your heart stopped beating, if your physical life ceased, would you go *home* to heaven because it is your Father's house? Would you belong there, because you belong to Him?

II

How to Become a Christian

In the light of what we have already seen the question now before us is really this: How to become related to God.

The first step is for us to see the difficulties in the way. They are very great. They are not easily set aside.

But God saw these difficulties long before we did. He saw them and, in His great love, did something to remove them.

Seeing what God in Christ has done in the matter, and accepting it, we find ourselves back into the favor

of God He has opened the way; we enter it; we find that His plan works

Here are the four steps in becoming a Christian.

1—Realize That Our Sin Separates Us from God

Sin is a great reality It has wrought terrible havoc Everyone must confess to it, for we read

“There is no difference, for all have sinned and come short of the glory of God” (Rom 3·22, 23)

“If we say that we have no sin, we deceive ourselves, and the truth is not in us” (I John 1·8)

“If we say that we have not sinned, we make Him a liar” (I John 1·10)

“There is none righteous, no not one” (Rom 3 10)

Remember it is not what we see or say of ourselves; it is what God sees in us and says of us

He sees—back of our sins a sinful nature causing them As apples are the expression of the apple tree nature, so we sin as the expression of a sinful nature

He says of our sin—and His is a Supreme Court verdict from which there is no appeal.

“The soul that sinneth it shall die” (Ezek. 18·4)

“The wages of sin is death” (Rom 6 23).

He declares us “condemned already” No wonder men have despaired, saying, “How shall man be just with God?” But God did something about it

2—Recognize What Christ Has Done to Bring Us Back to God

Because sin's desert is death, God for our sakes counted His own Son “worthy of death.”

“Christ died for our sins” (I Cor. 15 3)

“Who His own self bare our sins in His own body on the tree” (I Pet. 2 24).

“All we like sheep have gone astray, we have turned everyone to his own way; and the Lord hath laid on Him the iniquity of us all” (Isa. 53 6)

“For God so loved the world, that He gave His only begotten Son, that whosoever believeth on Him should not perish, but have everlasting life” (John 3 16).

God must be just in dealing with sin He has said what He will and must do with it. But he has found

a way of judging it in Christ; of letting Him stand for us of putting over upon Him what we deserved

He counts His death as though it were our own death. He died that we might not need to die. He gave up His life and made it available to us. And we can have life—His life—instead of death.

What a proposition! If God is pleased to let it stand that way, why should any man object? That is just the way it stands—all settled—if we

3—Receive Christ as He Is Offered to Us to Be Our Saviour

“As many as received Him”—a person, *the* person whom God called “Jesus, for He shall save His people from their sins”—receiving Him to do for us what God sent Him to do, letting Him do what he longs to do for us—be a Saviour to us—it is thus we become Christians.

What is it to “receive Him”? The explanation is given, “even to them that believe on His name.” To receive Him is to believe on Him.

This is the simple direction given by the Apostle Paul to the Philippian jailor, inquiring the way of life: “Believe on the Lord Jesus Christ and thou shalt be saved” (Acts 16 31).

This is also God’s command, as we read, “And this is His commandment, that we should believe on the name of His Son Jesus Christ” (I John 3 23).

To “believe on” is to rest the entire weight of your soul’s need upon Him, to trust your soul’s welfare entirely into His hands. Seeing that He died for sinful men, in believing on Him we claim this for ourselves personally.

Having done this we have as a

4—Result—the Sure Word of God That We Are Saved

“As many as received Him, to them gave He power to become the sons of God, even to them that believe on His name” (John 1 12).

“And this is the record, that God hath given to us eternal life, and this life is in His Son. He that hath the Son hath life, and he that hath not the Son of God hath not life” (I John 5 11, 12).

“Verily, verily, I say unto you, He that heareth My

word, and believeth on Him that sent Me, hath everlasting life, and shall not come into condemnation; but is passed from death unto life" (John 5 24)

Here are four things which are definite results of our believing:

(a) We *are* the children of God, born of Him as Jesus declared *must* take place "Ye must be born again"

(b) We *have* eternal life, and this because we have Him, the Son of God, whose life is eternal. Note the word "hath"—present tense, a present possession

(c) We have passed out of a state of death into a state of life. Our condition is entirely changed. Of us Jesus says, "They shall never perish" (John 10:29)

(d) Facing the future it holds for us "no condemnation"—that is past, because Jesus took upon Himself all the judgment for sin which was due to us. Now we can say, with exultation

"My sin, oh the bliss of this glorious thought—

My sin—not in part, but the whole,

Is nailed to the cross and I bear it no more

Praise the Lord, praise the Lord, O my soul"

How long does such a marvelous change require? Is it a process? or an act?

God says, "Look unto Me and be ye saved" Looking is the act of an instant, and in that instant God responds with a work that takes us "out of death into life" Look! and Live!

"He that believeth on the Son hath everlasting life"

III

How to Live the Christian Life

That puts it exactly right. The Christian life is a Life, and a life must be lived. Life has laws to be followed. It has needs to be met. Life has secrets to be studied.

Life calls for care. A stick may lie out in the cold all night, utterly neglected, no one caring, and be as good a stick afterward as before. But a plant, treated thus, would wither and die.

Never neglect your Christian life. If God gave it to you the least you can do is to give it good care.

We offer these simple directions for living the life, in the hope that we may encourage you to believe that as you follow them out you will find the way growing easier and clearer, with ever-increasing satisfaction

1—Resolve to Make a Success of It

If the Christian life is worth having it is worth living. If it is worth living it is worth living well.

Many make failures of it, to their own great loss. It no longer satisfies and they drop out. The fault is not in the life but in their refusal to live it. They are scarecrows; their ways the wise will avoid.

Some one said to the writer as a boy: "Have a mark; aim at it, hit it." Do that very thing, my friend. Make your mark the fullest success possible, cost what it may. Then, through the years you will come to be known as a glad, joyous Christian.

2—Know What Took Place in Your Accepting Christ as Your Saviour

We have already talked about this, but you will do well to go over it again until you are fully conscious what a wonderful change has come about. Whatever you were before, God has now accepted you for Christ's sake, you are God's child, born into His family; you bear His name, you have His Holy Spirit living in your heart; your name is written in Heaven. You have much to thank God for in these wonderful facts. Just to be true to them will mean a successful Christian life.

3—Make the Bible Your Guide Book for Life

Ignorance of the Bible is at the bottom of much failure. Make up your mind you are going to know the book God has put in your hands, in which He tells you of His love for you, His provision for your needs, His plans for your present living and future happiness. How, someone asks, can I learn to know and love the Bible? Here are a few suggestions to follow: (1) Read it Daily. Have a time for it—let nothing crowd it out. Early in the morning is the best time—you will get the most out of it. (2) Read it Repeatedly. Begin with the Gospel of John. Read it again—then again. Each time you will see something new. Read till you can think the book through.

(3) Study by Books Each book has a special message Find out what it is Analyze its contents (4) Study by Chapters Select one of the great chapters. Outline its contents Mark and learn its best verse Find its principal lesson Note some duty and begin to live it out (5) Study by Topics For this you need a good concordance and notebook Take the great themes, such as the Holy Spirit, Faith, Grace, Cross of Christ, Blood of Christ, Salvation, etc In this study persevere

4—Live a Life of Prayer

Of course you pray, but that is not enough Prayer must not be merely a habit, upon rising or when retiring, nor when you feel some great need—prayer must be your life

You breathe regularly, in dependence upon the air, you eat regularly, in dependence upon the food; you must pray regularly, constantly, in dependence upon God.

He says, "Ye have not, because ye ask not" (James 4 2) Learn to ask of God as you would of an earthly parent Commune with Him Talk over your plans with Him—every interest of your life Make Him your confidant. And do not be content without answered prayer God does answer Find out what is wrong if you fail to have definite answers to your prayers

5—Cultivate Christian Friends

You belong to the family of God You should love the members of your family and prefer their company to all others

If we are going to grow in the Christian life we must have Christian friends. We come to think and act like those with whom we associate Do not find friends among those who despise your Christ and the Way He would have you live.

This need of Christian friends should make you regular at Church services Let people see how interested you are Be at prayer meeting—you need the association Get into a Bible study class If prayer meeting or Bible class be lacking, start one, inviting others to join you, and you will find it a great blessing

6—Be True to the Church of Your Choice

The Church is made up of imperfect people, it is,

therefore, itself imperfect. It may disappoint you. But find, if possible, a church of the right sort—one where the Word of God is preached, its teachings upheld and devoted Christian living expected of its people.

Having found your church and united with it, look upon that church as your opportunity and sphere for serving. Be known for your faithfulness in attendance and willingness in service. Your Christ "loved the church and gave Himself for it." As far as you are able, follow His example.

7—Maintain an Enthusiastic Testimony for Christ

It is not enough to have confessed Him once, upon accepting Him or upon uniting with the church. That was the beginning of a life of acknowledging Him. Confessing Christ must be the constant desire of your heart and attitude of your life.

Do you ever meet a salesman so enthusiastic about what he has to sell that he feels everyone ought to own it? or an autoist so bubbling over about the performance of his car that he thinks everyone should drive his particular make? If we have tasted our Saviour's marvelous goodness, such should be the overflow of our hearts to neighbors and friends, concerning Him. Would we feel like telling everyone about a medicine that cured us, and not about Christ who saved us?

The secret of such testimony is a consistent Christian life, experiencing His joy in the heart and His transforming power in the daily life.

8—Put First Things First

Today many people are lost in the maze of "things." There are so many things to do and be interested in. Not necessarily wrong in themselves, they are aside from the Christian life. Not Christian, they secularize the person participating in them till his life becomes void of any Christian purpose or flavor.

In such a day a Christian, to succeed, must have a selective principle. Just like the radio—with so much in the air, we want a radio possessing good selectivity.

Jesus bids us put first things first (Matt 6:33). The Apostle Paul says of himself, "I love the honor of

being well-pleasing to Him" (II Cor 5 9, literal translation)

There it is—the selective principle of pleasing the most lovely Person in the world. If He is pleased, do it, if not, leave it alone. By such selectivity your life will be spared a threatened cluttering up with worthless, not to say harmful things. Keep free for usefulness in His most blessed, most satisfying service. Put out the sign, double-faced "Occupied" and "Reserved"—occupied by Him; reserved for Him.

9—Give Generously to God's Cause

Study the teaching of the Bible: "The silver is Mine and the gold is Mine" (Hag 2.8) "None shall appear before Me empty" (Exodus 34 20) "Honor the Lord with thy substance and with the first-fruits of all thine increase" (Prov 3 9). "On the first day of the week let everyone of you lay by him in store, as God hath prospered him" (I Cor. 16 2). "For God loveth a cheerful giver (II Cor 9 7).

If you desire a deep interest in Christ's cause, invest largely in it. Says Jesus "For where your treasure is, there will your heart be also" (Matt 6 21). If you wish never to lose your active interest in the church make yourself a shareholder in its work by generously giving to it. From such investment you will derive greater satisfaction than from any other you will ever make.

10—Strive for the Souls of Others

The bane of human living is selfishness. The Christian life is God's release in an abiding interest in others—the deeper the better.

Learn to see souls. Love men for their souls. However pleasant one's social relations, probe deeper to the soul's need. "He that winneth souls is wise" Purpose to be that wise one. Pray for others' salvation. Plan the contacts and the conversation with this in view.

"Lord lay some soul upon my heart,
And love that soul through me,
And may I nobly do my part
To win that soul for Thee"

If you have never had the thrill, the ineffable joy of leading another to Christ, of bringing someone else into the family of God, you have missed the most

superlative experience open to a Christian Do not be content to go along without it

11—Live a God-Ordered, Spirit-Led Life

The Christian life is a God-ordered life—"God is working in you to will and to work His good pleasure" (Phil 2 13) It is a Spirit-led life—"As many as are led by the Spirit of God, these are the sons of God" (Rom 8 14) It is a Christ-controlled life for we are "His body" (Eph 1 23)—Christ the Head in control

The greatest disaster that can overtake a Christian is to get out of God's will Life for him should be the outliving of His "good and perfect" will

How shall one know it? Lay aside your own will Desire His will above all else Pray to be guided into it Believe that He will guide you unto it (Ps 32 8) Take time for its revealing Be patient Through reading and meditating allow God's Word to counsel you Of it He says: "When thou goest it shall lead thee; when thou sleepest it shall keep thee, and when thou awakest it shall talk with thee" (Prov. 6:22)

12—Set Great Store Upon Your Heavenly Home

The Bible makes large use of this hope of the future to keep us pure, free from discouragement, lifted above the petty things of this life, incapable of being turned aside by its tinsel, empty show and false values Exhorted to "Set your hope perfectly on the glory," we further read "To an inheritance incorruptible, and undefiled, and that fadeth not away, reserved in heaven for you who are kept by the power of God through faith unto salvation ready to be revealed in the last time" (I Pet 1 4, 5) "Beloved, now are we the sons of God, and it doth not yet appear what we shall be but we know that, when He shall appear, we shall be like Him, for we shall see Him as He is. And every man that hath this hope in him purifieth himself, even as He is pure" (I John 3:2, 3)

Live in the realization that, for the Christian, the best things lie always ahead, and you will be undaunted by any and all of earth's trials and vicissitudes

Dearly beloved, the summary of the secret of a successful Christian life can be stated no better or more beautifully than in these lines, whose wisdom we commend to you—lines which might be called, The Practice of The Presence of God

Rules for Daily Life

BEGIN THE DAY WITH GOD,

Kneel down to Him in prayer;
Lift up thy heart to His abode.
And seek His love to share

OPEN THE BOOK OF GOD,

And read a portion there,
That it may hallow all thy thoughts
And sweeten all thy care.

GO THROUGH THE DAY WITH GOD

Whate'er thy work may be,
Where'er thou art, at home, abroad,
He still is near to thee.

CONVERSE IN MIND WITH GOD,

Thy spirit heavenward raise;
Acknowledge every good bestowed
And offer grateful praise

CONCLUDE THY DAY WITH GOD,

Thy sins to Him confess,
Trust in the Lord's atoning blood,
And plead His righteousness

LIE DOWN AT NIGHT WITH GOD,

Who gives His servants sleep,
And when thou tread'st the vale of death
He will thee guard and keep.

And now, dear reader, you are face to face with the all-important step of life—possibly two steps:

If you have never acknowledged Christ as your Saviour, do so now, definitely and for all time, by signing your "Confession of Faith"

If you are a Christian, put yourself entirely into His hands by signing your "Dedication of Life."

MY CONFESSION OF FAITH

- I Confess My Sin—"For all have sinned and come short of the glory of God" (Rom. 3:23)
- I Come to Christ—"Him that cometh to Me I will in no wise cast out" (John 6:37)
- I Receive Him as My Saviour—"As many as received Him, to them gave He power to become the sons of God" (John 1:12)
- I Take as Mine Eternal Life—"He that believeth on the Son *hath* everlasting life" (John 3:36)
- I Will Confess Him Before Men—"Whosoever therefore shall confess Me before men him will I also confess before My Father who is in heaven" (Matt 10:32).

Dear Sir,

A friend of mine, bookseller in Australia, has asked me concerning the authenticity of the surveys made by one [] [] and the literature he has published. I had not heard of this gentleman before. Nor does anybody here in Minnesota appear to know about him. I wrote to the F.B.I. agent at Fargo this morning. He could not give me any information either but referred me to your Office. If the very startling revelations are true I do not understand why something is not done about it in this part of the country. Thus I will be most grateful if you can supply me with any information which will serve my Australian friend and any other interested enquirers.

Thank you,

Dear Sir,

Thank you for your letter of October 10. But it was a disappointment indeed. I did not ask you to divulge any confidential files. I did not "infer" that you have information in your files relating to the subjects of my inquiry. Everybody, the whole Nation, knows you have. Likewise, everybody knows that Mr. Fagan could not have had access to your files for information which was not there at the time, but which has been added because of his investigations which caused the FBI to move in way back in 1948 anent a certain Theatre.

All I desire, Sir, is some Authority to back me. As [redacted] [redacted] to Moorhead State College I must not shuffle or evade when I am asked about Mr. Myron Fagan and the Cinema Educational Guild. I must be able to say unequivocally:

"You can trust Mr. Fagan and his Guild. His information is the truth. I have it on the best Authority. Now, unless I can do this, I wish to know how any of us can cooperate with Mr. Hoover who has told us again recently that it is the duty of every citizen to join in the fight against Communism. How can we know the truth about McCarthy, or The John Birch Scty., etc., unless we have authoritative guidance? So, if you cannot do anything to help us, who can?

Trusting you will understand my position and that of my parishioners and students,

Dear Mr. Hoover:

A close friend and client of mine from Garrett, Indiana has been dropping off literature at my office which was edited and published by subject organization. In many cases in discussing the tracts, bulletins, etc with others, I am told that the organization is subversive and is backed by communists. I will appreciate your comments as to what your Bureau has to say regards the organization.

I find myself in accord with some of their thinking and ideas, however, should the organization be a communist front, I certainly wish to know about it and not help their cause by discussing their literature with anyone else.

Your early reply will be very much appreciated.

Most respectfully yours,

Dear Sir:

Here enclosed is a pamphlet that is being distributed by local people in our Community and you can read it and let me Know if the contents of this tract is true. The people that have read this tract are shocked to find out this information. This may be true and it may not and also it may be Just something to hurt Sponsors and also to cause trouble. This could be a Communist pamphlet. All that I know and all that I have read about Communism I hate so much that it is hard to write how much I hate it. IF this is a tract that tells the truth, I will back it and do every thing I can to do away with. the reds in Hollywood. I have two girls, age 5 and 3 and I am 24 years old and I work at Raytheon Company Bristol. These pamphlets are being distributed all around our area. Please let me know as soon as Possible and also tell me what I can do to help rid our Country of Communism. I think We of the U. S. A. Should Know more about Communism and how to fightit at home as well as the battlefields.

I know of I believe with great belief and trust in god that our great country will never be taken by Communism. I'm willing to give my Life to See that this won't happen and thousands of other that have given their life believed the same thing.

Your concern about communism is understandable, and your desire to learn more regarding the nature of this menace is reassuring. Therefore, I am enclosing some material which I hope will be of interest.

Mr. J. Edgar HOOVER

The Federal Bureau of Investigation

My dear Mr. Hoover:

I have just read a circular entitled "The Reds are Back in Hollywood," printed by the Cinema Educational Guild Inc., located at P.O. Box 46205, Hollywood 46, California.

The above circular explains in brief how Communists and Communists sympathizers are infiltrating our communication and entertainment industry. It lists the names of 200 writers, producers, directors and such well known entertainers as Lucille Ball and Frank Sinatra, who are either Communists or communists sympathizers. It also lists the names of companies who make it a practice of sponsoring television programs who hire people with subversive ideas and activities.

The circular advises loyal Americans to boycott all movies, plays and television programs who employ these people. It also states that this is not a complete list, and that a book, "Documentations of the Red Stars and Fellow Travelers in Hollywood and T.V.", by Myron C. Fagan can be obtained from The Cinema Education Guild Inc. for \$2.00.

I am deeply concerned with the progress the Communist party is making in the United States and do not want to see them advance any further; especially in this vital industry. I personally cherish our American way of life, our liberty and our God given freedoms and am willing to fight and stop communism any and every way possible. However I feel it is also unjust and un-American to label any one who we do not agree with as communists.

I would like to know the authenticity of the circular "~~The~~ Reds are Back in Hollywood". Where and how was this information obtained? Were they obtained from hearings of The House of Un-American Activities? Can a copy of such hearings be obtained. I would like to mention that I have great respect for this committee and the splendid work they are doing.

The Director is not mentioned in this booklet, however, on page 2 while talking about the President it states: "He placed the FBI under little brother's control, and, suddenly, this agency, which through the years has carefully avoided any semblance of a State Police, has, on direct orders of our juvenile United States Attorney General, resorted to the terrifying middle-of-the-night door poundings--." December 4, 1962

Dear Mr. Hoover,

0

Enclosed you will find a copy of a CINEMA EDUCATIONAL GUILD INC. publication entitled Tract No. 8., "KENNEDY'S DEATH TRAP FOR U.S.!!!". While this is obviously alarmist literature, some of the assertions it makes are obviously true. When U. S. State Department Publication 7277 was published I dismissed it as being so far off-base as to not even merit serious consideration. I felt that no member of Congress or of the Executive Branch would ever seriously consider the compromise of any of our rights of national sovereignty.

Since I am personally opposed to any program which might lead to One World Government (for reasons not included in Tract No. 8) publications such as Tract No. 8 terrify me in to activity. I will never exchange the freedoms afforded me by our Constitution for the security offered by a World Federation.

I have written you before and gotten the answers I needed. It is for this reason that I now write to ask:

1. Is there any chance that a Bill requiring registration of privately owned fire-arms will pass in the next five years or so?'
2. Did the United Nations actually issue U.N. Order Number one, and what were the results? *m*
3. Does President Kennedy in any way advocate this form of constitutional overthrow?
4. Is it true that 26 states passed the VWF resolution (if there was in fact such a resolution) ?
5. Is there any legal method which can be employed to preclude agents of foreign powers from making United States laws (through lobbys, etc.) and otherwise compromising our constitution?

REC-71 62-87267-888

Mr. Hoover, in writing this letter, I may be looking for windmills to fight. I sincerely hope there is nothing more to it. But there is always the fact that there is something more than a windmill to be discovered.

Dear Mr. Hoover,

I am a student at Beverly Hills High School and I distribute good American patriotic and anti-Communist tracts to those interested in learning the Truth. I very often come up against Liberal (Jewish) Democrats who are skeptical (a mild term!) about the literature and Cinema Educational Guild, Inc, with Mr. Myron C. Fagan as the Guild's director. I believe in this organization and its goals.

What I would like to have is a letter from you, a very reliable source and in a position of having the authority, telling that this is an American group and not a fraud to cover the eyes of the American people. I look forward to hearing from you.

Sincerely,

/s/

P. S. If I am wrong about this organization, and I don't think that I am, please inform me of the truth. Enclosed you will find a sample of their publications.

Dear Mr. Hoover:

I enclose a copy of the Tract - "Red Stars" - The Reds are Back in Hollywood and would like to know if the names that appear on that tract are really members of the Communist Party. Some of the names surprise me a little.

Your earliest reply to the above will be greatly appreciated.

Very truly yours,

Sunday December 9th

Dear Sirs;

I have in my possession a book entitled "~~Document of the Reds and Fellow Travelers in Hollywood~~" by a Myron C. Fagan. The book was sent to me by some people who have recently moved to California and they are inclined to believe it. I am not and would like very much to convince them that it is not true.

To me, it is Communism through and through, in as much as the writer calls everyone a Communist and advocates the overthrow of everything and almost everyone.

I am very much disturbed by the contents and would like to know where I can get the necessary information to substantiate my belief.

I would appreciate any information that you can provide.

Respectfully,

Mrs.
